Club Captain's Report

Hello to all, hope all is well.

LAST WEEK: We saw the shootout day completed with some great play and the winners were Gordie and Chop so that's RACHELLE QUINN and ROBERT BUTLER.

In the senior division there was controversy with the chip off spots picked. So well-done BOO BOO, that's how we like it. Not so sure on the other division but they didn't go hungry that's for sure and also a mention to the second-place getters Teddy and Jansy well do lads.

XMAS period: Well, we have the Purdie cup for those who want to play-- otherwise it will be a self-haggle so please take care over Xmas and be safe.

Club opening day 2024 will be held on the 27th January mass start 09.30 so be there by 8.30 cheers and this will be a good club competition to start the new ahead.

Club house cover over the Xmas period, Joy East will be on and if you want to give Joy a break that would be nice so she can pop out for a game etc.

NEEDED: If you have any old sets of clubs that would be suitable for kids, can you catch up with Esther White, please. She is looking at teaching some of the kids and JR how to play the game and could do with some gear etc cheers.

Thanks for your time this year and special thanks to the match committee for all your efforts.

Merry Xmas from all the match committee?????????

Thanks for your time Lofty and Chop.

Volunteer's Day

To all volunteers who have contributed their time and efforts to the club this year, you are invited to come along on **Sunday 10th December** to the Club for a BBQ and refreshments to recognise your efforts. Be at the clubhouse at 1pm and we will set off for 12 holes of golf with refreshments to follow.

Cheers
Robin

Waitara New World Wednesday Club

Potential rain must have frightened many away today as only 27 took to the tee boxes. The theme of the day was hitting fairways and that was all Pooch coming in with 14 of the narrower grass strips found.

The top Stabby's going to Cliff Oxy and John Skully with 39 points followed by Dave Yates on 37 points.

Four 2s to Cliff Oxenham, Kerry Edcombe, Kevin O'Donnell, Tony Bromfield

8 great raffle prizes taken home

Good golfing

PRO TIP - back to basics

The Putting Grip which is widely taught when a golfer first starts is called the reverse overlapping grip. If you are right-handed, place your left forefinger down the outside of your right hand. It may curl around your little finger or straight down along all your fingers. It is a personal feel, whichever feels comfortable. (Lefties do the opposite of course.) This grip is recommended because it helps keep the Back of the Left Hand going forward thus keeping the CLUB FACE SQUARE towards your TARGET!! In the world of golf there are many different styles & putters but try the **REVERSE OVERLAPPING GRIP FIRST** before the others you might just find that **YOU LIKE IT!!!**

Good Luck & Good Golfing.
