## Printer Issues

We are waiting for a new printer cartridge and hopefully it will be here by Saturday so that the printer is a happy machine again.

If you have trouble printing a card please use the **Golf NZ app to generate a digital card** on your phone or tablet or grab a **Green Fee Card**.

The Digital Card function has been activated at Dot Golf so all you have to do is open the app and tap the icon at the bottom of the page labelled **"Enter Score"** and away you go.

## Club Captain Report

Hello to all ..... Well the weather is coming good so let's all get golfing....

**MY last club report today ...so thanks to all for the chance to report...**..hope everyone has taken them as they were designed and written. I wanted to try to build a little fun aspect into the report and a little more of the ..off the cuff humor so again thanks.

It HAS BEEN 3 ODD YEARS in my role, with Covid and changing of the green keepers twice, coring and sanding of the greens etc. The bunker conspiracy ...which I hope will still happen as I think it would add to the look of the course. The new signs are up and the work around the course. Let's not forget the shelter at the first so this all added up to some ..... interesting times. I feel the club is in a better place with most members being happy and some fun times being had. The club has a good bunch of players going out to other clubs and in general we get great reviews on the atmosphere and how good our club is.

**As every club has ...**We do have a small few who seem unhappy and feel the need go onto face book. This is without any chance of opinion or consultation from the club. These Comments are NOT really of any benefit to club overhaul. Don't mind opinions ...but it would be nice to have the chance at least to have our say before needless negative comments from so few could pull down the many positive ones from so many. Maybe those wee people could stand up and go on the committee and sort out all the world's problems. **Volunteering is a privilege for us to serve club members** and every one of us try to do our best to grow the club. I feel we have done this over the last few years during some very trying times **so thankyou to my team** for all the hours / family time / you have put in over this time.

**I am very grateful, and I totally appreciate the efforts put in by you all. Thanks, Lofty.**

**The AGM is coming up so ....**we need names to fill spots .... some of the current LONG Serving members are wanting to stand down and have a break ....so let's stand up and fill these spots this is your chance to get in new ideas and help the club go forward. There has been a few comments over the year with some good ideas so let's get them going.

**Match committee needs some filling**, so we need these spots filled ...If you want to have your say in how the competitions are run , raffle ideas , mass starts , different styles etc. here is your chance.

**Thanks to all those who are standing down and thanks for the efforts put in over many years.**

**Saturday the 27<sup>th</sup> -** Saw our closing day / mini xmas day etc. **Good day - good weather and some fun** had on the day. Good to see most of the club members got into the day and had a good laugh.

**Thanks for All the prizes also big thanks to Marie for getting all the goodies and the fudge...** very nice.

**NOTE** if you want some fudge catch up with Nathan Lopy, he will get it sorted.

**All the winners were given out their cups** and our Nerdy numbers man **CHOP, CHOP Butler** gave us the stats for the year ---- I must admit I do like the stats and there were some interesting ones there too.

**Rob Fraser** taking out the I don't work and play heaps of golf **WITH OVER A 100 ROUNDS AT OUR CLUB ALONE. Thanks to my three amigos for wearing the Santa suits ....** just to add a wee smile to the day good on yer lads....

**Sunday the 28<sup>th</sup>** Saw the **OPEN hamper**, and this was a great day again with good weather and fantastic prizes good course and great raffle as well as the eliminators.

**Best gross of the day went to Ivor Sarten a 72** well done old pee wee you got me. Manukorihi had a good day with 3 divisions going to locals plus the gross with **Lofty getting best Nett in the division 1 with a 67 , Richard Crow with a very good 63 Nett** and

**Jo Broadmore** taking out the **ladies top prize with a good Nett of 67 ,Division 2 was won by Blair Briscoe with very good 65 Nett** so well done to all the winners

on the day.

**This week December the 4<sup>th</sup> - THE BIG DAY OUT ITS .... SHOOT OUT TIME.**

**MASS START TWO TEES** Tee off will be at 9am -PLEASE BE THERE BY NO LATER THAN 8.30 SO WE CAN SORT FIELDS ETC.

Have a look see if you are in the draw. The course will be split as we are teeing off on the 1<sup>st</sup> and the 10<sup>th</sup> with 20 players so if your wanting a game you will need to go early and tee off the **1<sup>st</sup> only** and must be cleared from

the 10<sup>th</sup> by 9am or you will get caught out by the shootout mob cheers. So, we will have the two top qualifiers from each division cooking the BBQ and the rest will go and fight it out for the next top 8 spots, thus sending 10 players into the last nine holes. So, one player will drop out per hole until the last with two players standing will fight it out to become **the 2021 shootout champ. Good golfing everyone.**

### 19TH DECEMBER IS THE:

**Sponsored: NEW WORLD LAST CHANCE / POP UP / VOUCHER /TOURNAMENT.**

*There has been some confusion over the gross prizes so we have CHANGED THE WORDING to save any confusion and there will be a gross prize in the POP UP and it will be ACROSS THE FIELD: BEST GROSS SCORE OF THE DAY ONE PRIZE ONLY! Cheers*

*Thanks, You're OUT GOING Club Captain Lofty. Not long now!*

## Shootout 2021 List

**Saturday Mass start for the Club closing day** was a great success and great to see so many come out and enjoy the day. Prize giving went really well and Santa's helpers were on hand to help with the golf prizes.

## Facebook Page.

This tool that the club uses is a great way to present our club in a positive manner all around New Zealand. In a month we can reach up to 1800 followers with page views of 200 per week.

**Members please post and comment in a positive manner** and if you have any problems please report to the source directly prior to putting on the page. As the Club captain put in the newsletter last week we all make mistakes but are also volunteers.

Going forward we want the Facebook page to be a positive tool for our club.

## Green Keeper Report - Stratty

Big weekend for the club last weekend big fields and great weather, and now we have had perfectly time rain 🌧 I know the greens are rolling slow but it is a process while we are converting to sand greens and summer approaching!! Thanks again to all my volunteers you are all awesome!

*Cheers Stratty*

## FUNNIES

## Golfing Tips

To go **PAST the HOLE** is possibly the most logical shot to play but how incredibly difficult to do consistently. WHY ??? Pressure & lack of the correct Practice Routine !!! To go past the pin on the approach shots is to know your distances with each club. Most of you see the shot as the best shot that you can hit & then not hitting it 100%. you fall short !!! So know your distances & then take 1 more !!!

On your chipping & putting, my old boss used to say **"if you don't go past the hole when you are practising you'll never go past the hole under pressure !!"** Another big tip !!
