Club Captain Report

Hello to all...hope all is well.

Well this week was a **LF Truman** and the **Sunshine** was bright as **Sunstrike Broadmore** took the spoils with **42 points** and his great form continues well done old timer. Closely followed by the bell ringer **Bellamay** on **38 points** and the forever bridesmaid **Brendon** overdrew on **37 points**.

This week we have the Joll cup qualifying round play on par so all the best for that folks and then the draw will be done top 16, bottom 16 and in turn they will play match play over the following weeks and then semis and finals.

UP-COMING EVENTS:

29TH -05-2021 - Joll Cup Top 16 Match Play and Flights Top 16 Match Play.

5TH -06-2021- MEN PLAY OFF YELLOW TEE BLOCKS AND ALL **IRONS** ONLY DAY AS WELL
SO, NO WOODS, NO HYBRIDS..... Driving irons are allowed as they are irons.....

12th-06-2021 - Joll Cup Top 8 Match Play and Flights Top 8 Match Play.

19TH – 06-2021 - Joll Cup Finals Match Play and Flights Finals Match Play.

26TH -06-2021 - Spare Day For----- Joll Cup Finals match play and Flights Finals Match Play but if the day is **not** needed then it will be 3 club day so 3 clubs **PLUS YOUR PUTTER** of your choice.

Ladies Pennants this Sunday to be played at Kaitake and the girls are on the hunt to take out the Te Ngutu and win the competition so good golfing girls go get them and may all your putts go in. What a great time for the club if we can get both the Woman’s and Men’s trophies. Go girls bring home the bacon.....

Thanks, Your Club Captain Lofty.

Saturday Ladies Report

Better weather than we were expecting and a good turnout of ladies for the Nancy McCormick foursomes.

Best of the day were **Renette & Marion** and **Lesley & Joy** with nett **75**.

Twos were drawn for **Nicole, Christine & Fiona**.

The **9 hole comp of Hidden Holes** was won by **Julie**.

Next weekend we will play Round 2. Nancy McCormick.

Manukorihi hosted the Weekend Pennant on Sunday. We were very lucky with the weather and most of the players were in before the rain came. **A big thank you to the ladies who donated raffles.** The table looked great. **Thanks also to the helpers** on the day.

We are heading for an exciting final game at Kaitake in 2 weeks. Kaitake on 11 points have the bye and Manukorihi play Te Ngutu both on 10 points. A 3 way playoff could be needed to decide a winner. Good luck to the team.

Lesley

Golfing Tips

ALWAYS TRY to BRUSH THE TURF, if you do you will never top the ball !!

Now read that again because all amateurs top the ball & it costs you shots every time.

Easy for me to say but not always easy

to do. A great routine is always to take 1 practice swing & try to brush the turf or take a divot. (*It's the same thing.*) The practice swing is a rehearsal of what you are about to do, so by brushing the turf or taking a divot you are allowing the loft of the club to lift the ball. Do it on your practice swing you have given yourself every chance of doing the same swing on the ball. To improve – **ALWAYS TRY to BRUSH THE TURF.**

Good Luck & Happy Golfing.

Rules corner #7: Cleaning your ball*Gary*

When may you clean your ball?

1. A ball lifted from the putting green may always be cleaned (see Rule 13.1b).
2. A ball lifted from anywhere else may always be cleaned **EXCEPT** when it is lifted:
 - a. To See If It Is Cut or Cracked. Cleaning is not allowed (see Rule 4.2c(1)).
 - b. To Identify It. Cleaning is allowed only as needed to identify it (see Rule 7.3).
 - c. Because It Interferes with Play. Cleaning is not allowed (see Rule 15.3b(2)).
3. When preferred lies (15cm placing) local rule is in place, your ball can only be cleaned when “clean and place” is stated in the local rule

[If the player cleans a lifted ball when not allowed, he or she gets one penalty stroke.](#)

Questions

There are times during a round when the rules allow you to clean your ball and sometimes when you can't. See if you know the difference by answering “can” or “can't” to the following scenarios about whether it is OK to clean your golf ball.

1. A sliver of the ball is on the putting green, but the rest is on the fringe.
2. Before your tee shot, you address a ball, waggle the club, and accidentally knock the ball off the tee.
3. Your ball plugs in two-inch-high rough and has a wad of mud attached to it.
4. After hitting into a water hazard, you decide to take a penalty stroke and pick the ball up.
5. Your ball is interfering with your opponent's stance, so he asks that you mark and lift it.
6. Your ball is covered in wet grass clippings and want to remove it to determine whether it is yours.
7. You mark your ball's position in the rough and pick it up after play is suspended because of a thunderstorm. Now it is time to resume play, so you replace the ball back in the rough.
8. While searching for your ball, you find it next to a mower parked by the maintenance shed, and the mower interferes with your stance. You cannot move it, so you decide to take relief.

ANSWERS

1. Can (rule 16-1b, definition: putting green). If any part of the ball is touching the putting green, it can be lifted and cleaned after marking its position.
2. Can (rule 11-3).
The ball is not yet in play on that hole, so it is OK to clean.
3. Can't (rule 25-2, definition: through the green). A ball plugged in grass higher than fairway height (closely mowed) can't be cleaned under the embedded-ball rule.
4. Can (rule 26-1).
5. Can't (rule 22-2).
6. Can (rule 12-2). Just don't remove any more clippings than necessary to identify it.
7. Can (rule 6-8d).
You can also mark, lift, and clean a ball you left on the course during the delay.
8. Can (Rule 24-2b).
A ball to be lifted for relief can be cleaned no matter if an obstruction like a mower or cart path is movable or immovable.
