## MIXED VETERAN'S TOURNAMENT ENTRY INFORMATION

Dear Golfer,

Attached are the two pages of the entry form, for the **2026** Mixed Veteran's Golf Tournament to be run by the Manukorihi Golf Club from **Monday 20<sup>th</sup> April** through **Friday 24<sup>th</sup> April** Rest Day Wednesday 22 April.

If you are unable to open the attachments, then try our website **manukorihigc.com** or the Veteran's site on **nzvga.com** where you will find an electronic entry form.

If you do not have a playing partner, please clearly mark your entry form with **PARTNER REQUIRED** and we will endeavour to match you up with somebody having an index close to yours.

Play will start 10am Monday 22<sup>nd</sup> and 9am the next 3 days of play.

Please note the closing date for your entry, **10<sup>th</sup> April 2026** bearing in mind that the field fills quickly and once enough paid entries have been received to make up the required sections a waiting list will be created in the order that the entries are received.

### Seeding

To try and make sections more equitable every attempt will be made to seed and rank players using their Manukorihi handicap. This handicap will be determined from the NZGolf published indexes available on the **Thursday 16<sup>th</sup> April 2026** and this will be frozen throughout our tournament.
