

Course Report

Gabrielle threw it to us, and the response from our club members was out of this world with a huge number turning up to help out today. On behalf of the green keeper and greens convenors we wish to thank all those that turned up to help get the course back up and running. The response was out of this world.

A job well done and the course has been nearly cleared in a day, which at the outset seemed impossible to imagine. Also, a huge thank you to Marie and Joy for the morning tea and lunch that was provided for us. The awesome effort shown today means the course will be back in play tomorrow. Some areas still to be worked on but these will be marked accordingly. To everyone concerned, give yourself a pat on the back.

Club Captain's Report

Hello to all, well let's hope this weather goes away. To all members and their families, we hope you have got through this rough weather.

Thanks to all who were able to get out to the clean up around the course a lot of trees and branches around and a lot of work will be needed to clear up the mess.

The greens are fighting back slowly but they will get there, and the tee blocks are looking at getting a makeover at some stage. Thanks to Stratty and the team for efforts and we are sure they will get there.

The sweep has had a work over to help make life easier and please see the new sheet on opening and fill out required cheers.

The 100 club is full up and special thanks to **SOS** and the team's effort that has gone in to push this along.

Bar Convener: Hi team Manu ...we need bar staff for the year 2023. We all enjoy having a drink after the battle. The bar does provide a good income for the club. Once again there seems to be the same folk putting their hands up and running it so let all get together and have a go... put, you're hand up for the club as many hands make lite work. So, if you can you help, please see Nicole Mancer. Nicole will sort you out and THE CLUB will appreciate your help. Contact Nicole on 0211856657 cheers Lofty:

Thanks for your time Lofty and Chop

Saturday Ladies Report

No Golf report due to Mass Start on Saturday.

Tuesday Ladies Report

No golf played on Tuesday due to the cyclone so we will play Sarten, Fraser and Lyn Foreman next week.

Unfortunately, 9-hole pennant was also postponed so will be played later in month. Weekend Pennant was played in Stratford on Sunday 12th. The team played Stratford but unfortunately lost 3.5 v 1.5. Good luck for the next round.

We have a busy March coming up with 9-hole open day and hosting midweek and weekend pennant so would love raffle donations. Grocery items would be great to make up mini hampers. Home baking is always popular as well so thank you.

Please bring and hand to a committee member.

Lotto winner was number 10. Well done to myself, Marie

Etiquette of the week

On the putting green players should not stand or walk on another player's line of putt. Make sure you aren't casting a shadow over the person putting.

Waitara New World Wednesdays

No golf due to the big clean up around the course from the heavy winds on Monday night and Tuesday, many thanks to the Wednesday lads and girls that helped with the big clean up.

Golf next Wednesday 9 30am tee time.

David.

Farewell to Don Taylor, Life Member

Don passed away last week; Don was 95 years.

Don started his golf in the 60s at a 9-hole course on the Foreman's Property on Faulls Road. During his time as club captain and later as President the Manukorihi Golf Club moved to our current course on Wills Road in 1968. Don was one of the drivers in buying the land and developing the course, Don was made a life member of the Manukorihi Golf Club sometime in the 80s, a date that wasn't recorded.

Don was also the editor of the club's centennial book in 2004.

PRO TIP - back to basics

The most used club in the bag is the putter so this week the tip is on putting.

Imagine an EYE in the FACE of your putter. If the EYE goes to THE HOLE where would the ball go??? Correct, THE HOLE. So, the next practice session you have on our putting green, imagine THE EYE IN THE FACE OF YOUR PUTTER & swing it to THE HOLE!!!

Good Luck & Happy Golfing.

Professional John Garner.
