

MANUKORIHI GOLF CLUB INC.

Club Captain's Report

Hello to all, hope all is well.

I see the sheet is up for committee spots for the 2024 season. So, if you have an interest in how the club is run then jump in and get your name up: Some of the current committee members have been doing this for a while and maybe looking at handing over the batten. We need these positions filled to help run the club and keep it chugging along. Maybe you are in the Wednesday club or help on Fridays / twilight etc. This is your opportunity to join the match committee and have your say. Tell us what happens during the week and bring the ideas forward. We need this to happen as Most of the current teamwork and don't make the mid-week comps. It would be fantastic to get someone on the team to represent these days cheers.

THIS WEEK Sees the SEMIS of match play champs some close ones played last week so congratulations to all the winnersand all the best for the next round this week. **Rob Fraser** doing it hard **WITH TWO MATCHS GOING THE EXTRA DISTANCE**. Please make sure you enter the results so the opposition can see who they have and can set up tee times etc.

TOP CLUB QUALIFER is on the 30th this month followed by the competition at mania on the 29th of October cheers

Club paths Carts can we all please not cut across the 12-tee block to the 6th tee and instead use the path cheers.

Please everyone please beware of other golfers putting or teeing off around the course and course and use course etiquette thanks when passing by.

Please don't forget if you tee off the 13th and it is a standard comp you will be disqualified as we should be all playing the same track in order unless stated thanks.

Chance of a life time???????????? We are looking for a project manager. A Volunteer to oversee some up-and-coming projects we are looking into. So, if you think this is your skill set is please catch up with us. Things like getting quotes, meeting 3rd parties at the course to get ideas and show them the plans etc. As a lot of the current committee have day work it's a little hard to get away and we need someone who can get all the info, and this would allow us to push these jobs forward cheers.

Thanks for your time Lofty and Chop

Saturday Ladies Report

A great relaxed round of golf was had by myself and a few others, however others had some matches. With the winners being Jacinta and Andrea in the Silver div and Marion in Bronze 2 Div. We have Match play round 3 schedule for this coming. Good golfing to those that still have matches to play.

Coming up on the schedule is the Manuring Cup (must have been a dairy farmer that swung that one). This is been held on the Friday 6th October at Urenui. If you are interested, please put your name on the list.

Talking of lists, the Pennants team list is up so if you are interested in either mid-week or weekend pennants put your name up, and last but not least Ladies Top Dog Comp is coming up on the 14th October.

Don't forget Comp Champs is the 7th October

Happy Golfing

Gordie.

PRO TIP - back to basics

The **Push** is an annoying shot because it is almost perfect!! The shot is mostly caused by your **HEAD** moving forward in front of the ball at impact. Being anxious & wanting to see where the ball is going!! The club face being open at impact & the path of the swing is travelling in – to - out, which is the intention of every good golfer. **HEAD STEADY folks!!!**

Good Luck & Happy Golfing.

Professional John Garner.
