

Club Captains Report

Hello to all. Hope we are all well.

Top Dog competition Round 2 was on last Saturday and some outstanding scores again were posted. Hughes and Andrews with 62 and Butler and Skellern with 59 (HOW I WILL NEVER WORK OUT) so as it sits ..the top 3 teams after two rounds are as follows

1ST Hughes and Fraser 121 ..2nd Butler and Skellern 125...3rd Clarkson and O'Donnell ...126 so there is some work to do for the rest of us but still two rounds to go to post some better rounds than the two already posted...Remember its the best 3 out of 4 round total this year .These will be played in THREE weeks' time as we have labour weekend this week with a mass start at 9.30 am tee off so please be there no later than 9 am so we can draw the teams and it will be the same format as top dog 2 ball best ball (best nett on the hole between you and your partner)Men's and ladies mix this week or however the cards may fall ?

NOTE: Robert will set up the dot golf so you can select you're playing partner on the day and ONLY AT THE END of the round you will be asked to select their name and this in turn will work out your teams nett ..thanks.

Note: The 31st there will be a self-haggle day for the Men so make up your fours and have a haggle between teams' thanks.

QUESTION: We have a couple of players that may want to play later on a Saturday due to parenting duties and Saturday sports for the kids .So just looking for an expression of interest if anyone is interested in a 11.30am / 12pm tee off on Saturdays .

So please see me at some stage thanks. This time slot MAY NOT be included in the Saturday comp we will need to have a look at this and see how it may work out, as time restraint's on haggle may not allow this.

Please repair divots and pitch marks on the greens so we can keep the place looking good. Speaking of looking good well done to the team for the new signs ...i think they look good and improve the look around the place. Good to see and hear heaps of banter around the club house and on the course and as our four didn't play as well as we may like to (sausage)we sure did have some fun on the weekend and that's all helps the bad golf. Just a quick \$150 dollar reminder... that at the end of princess street you MUST come to a COMPLETE stop... or a very kind ...well-Dressed ...and well-mannered police officer will feel the need to stop you and then explain this to you . Evidently ... ALMOST stopping.... is not quite stopping...Be careful out there and drive safely.

Thanks,
Your club Captain Lofty

BAR MANAGER

Over the past few months the committee have been discussing the prospect of employing a Bar Manager. This position is needed due to the lack of volunteers to help out over weekends and tournament days. This position will be a paid job by the club.

The hours would be flexible but Saturday and Sundays each week and other days to fit as the club programme requires.

Please phone Marie 0273552349 for further details.

Golfing Tips

To go **PAST the HOLE** is possibly the most logical shot to play but how incredibly difficult to do consistently. WHY ??? Pressure & lack of the correct Practice Routine !!! To go past the pin on the approach shots is to know your distances with each club. Most of you see the shot as the best shot that you can hit & then not hitting it 100%. you fall short !!! So know your distances & then take 1 more !!!

On your chipping & putting, my old boss used to say “**if you don’t go past the hole when you are practising you’ll never go past the hole under pressure !!**” Another big tip !!

Good Luck & Good Golfing.

Tuesday Ladies Report

A very pleasant day for golf but quite hard work as no run and the rough getting thick.

Helen W wins the voucher for the 18 holers with a Nett 72.

Joc and Helen J defeated Jo & Robyn 2 up in our first Round of Top Dog.

Marie had a 2 and collects \$10.

Robyn was the lucky winner of the raffle.
