Club Captain's Report

Hello to all, hope all is well.

I see the sheet is up for committee spots for the 2024 season. So, if you have an interest in how the club is run then jump in and get your name up: Some of the current committee members have been doing this for a while and maybe looking at handing over the batten. We need these positions filled to help run the club and keep it chugging along. Maybe you are in the Wednesday club or help on Fridays / twilight etc. This is your opportunity to join the match committee and have your say. Tell us what happens during the week and bring the ideas forward. We need this to happen as Most of the current team work and don't make the mid-week comps. It would be fantastic to get someone on the team to represent these days cheers.

Match play draws will be up this week so please see who you are playing, and **ALL GAMES MUST BE COMPLETED BEFORE THE NEXT GAME TIME**. If you need to change times so you can play, and your opponent can't change then you will be the one two defaulted. Match play starts 9.9.23 and it is off the stick, no shots. Can we please make sure we keep the draw updated and it is your responsibility to sort out your next game so please do that, thanks.

Raffles: Thanks Guys big clean out last week got most of the raffles out.

Golf balls: Well, there was a big clean out of those as well so JR will need to get some more as there is not a lot left.

This week Modified Stabys was off the blues. So standard Stabys were played but if you score 0 on a hole /pick etc then you had to score a -2 for that hole. Well, this saw some great scores and none more than Asoese with a -11 yip sorry Ace.

Twos a plenty and even 2 lots of 2 twos so well done all.

This week we have a par round and I think there is a few away at the masters so good golf two all of them that have entered, and can we please help out were you can on Saturday please?

Chop Chop will be the grand poohbah and he may require a hand with raffles /cards and the sweep thanks.

Please don't forget if you tee off the 13th and it is a standard comp you will be disqualified as we should be all playing the same track in order unless stated thanks.

Thanks for your time Lofty and Chop

PRO TIP - back to basics

The “big Hook.”

The hook shot is a better shot than the slice only because it goes further, therefore using a lower club for the next shot but like the slice it gets us into trouble!! Two points to check:

1. **Direction.** Lay a club down on the ground along your toe line, it should be parallel to the intended ball flight to target line. The hooked shot the club will be pointing right of target.
2. **The Grip** is the other big fault which develops a Hook. Check that you only see 2 knuckles of the left hand (not 3 or 4 !!) And your 2 ‘v’ s are pointing between your neck & the right shoulder. Not below your right shoulder!!
3. In changing your Grip please be patient as it will not feel comfortable for a while.

Ben Hogan used to say that it takes 500 attempts to make a grip change & if in that time the grip feels comfortable “YOU AIN’T MADE THE CHANGE!!“

4. **Reverse the words right & left for you Lefties.**

Good Luck & Happy Golfing.

Professional John Garner.
