Club Captain's Report

Last Saturday was a great day for most, the LF Trueman trophy was played for and Ace was the top card of the day with 43 points well clear of the rest of the field. Well done, **ACE**.

The Saturday club haggles were run over the same format and with Ace getting his 43 points and a chop chop to handicap he was followed by Robbie Sim 40 points, Marty Crafar 39, Terry Butler, Nathan Lopy finishing some form and Robbie Sunstrike Broadmore 38.

It doesn't stop there with Robbie Sim, Shane Grylls and the Ace all getting 2x2s jackpots, we having to go to the bank for a loan to payout. Darren the bubbles Rice, Robbie Brusing and Gary the Crawford also score a 2 each.

Well done to all and the average score over the field showed a small improvement than past weeks.

There were eight raffle winners and two board lamb legs as well, thank you for your support with these as it does help the club out,

Great job by Maree in the kitchen once again with her winter menu on the blackboard.

This Saturday the men's competition is 2BBB Claredon Cup (best nett of pair on the hole), pair up and record each score and when you enter your card Dot Golf should ask you who your partner is once you have done that and both cards entered the dot golf system will sort the rest.

The Club haggles will also be on nett \$10.00 includes raffle so all putt out on our great greens.

Keep a mind on slow play and keep moving so the field runs smoothly.

Out on the course you will see the start of a change with the fairways as they are in the process of developing a second cut off the fairways so the placing will be on your own fairway and not the second cut, there will still be some rough for those who like going a little wide.

Also there will be a club rule regarding the yellow pegged areas on the 5th and 12th holes that **you cannot hit out of them** and this has been put in place (stroke and distance applies) as a safety issue for all players.

There also has been a lot of pitch marks and divots identified around the course so please repair these and help look after our great piece of turf.

This Sunday we have a limited field playing in the Junior fundraising tournament so good luck to all those playing.

Need Club Members input regarding the Yellow Tee blocks!!!!

Recently we had the course rating completed and the 12th and 18th are currently a little too short for being a par 5. The course rating team put recommendations forward to sort this and adjust your playing handicap accordingly.

Options are:

(1) Stay as they are, no adjustment to current rating or handicap.

(2) have 12th and 18th from current tee blocks but adjusted to par 4's this will change rating (par 70) and handicap as well over time stroke hole rating.

(3) leave 12th as is and take 18th back to par 5 distance which will be in front of current white tee block change of rating (par 71) and handicap.

It has been discussed regarding 12th going back but the expense of creating new tee block is too high and not wanting to go back over the hazard in front of white tee.

Any feedback would be great so if this can be put into suggestion box in club house, please.

All have a great week

Manukorihi is hosting this event this year. Sunday 1st and Monday 2nd September.

Have been approached regarding anyone who would be interested in hosting 2 boys, 1 girl and the sports coordinator that is travelling with them. It would probably be 3 nights.

Please contact Marie if you would be interested.
