

Club Captain Report

Hello to all.

NOTE: I HAVE BEEN ASKED TO LET YOU ALL KNOW THIS RULE AS THIS HAS BEEN NOTED- THIS IS HAPPING AT OUR CLUB ON CLUB DAYS THANKS

Rules to be taken note of Please make sure you read the local rules board when playing at other clubs.

Marking your golf ball on the green.

Many of us play for the fun side and a bit of competitiveness and some play via the rules ..WHICH IS SIMPLY THAT. So as on the weekend my opponent was asked to shift his marker and didn't replace it TO ITS ORIGINAL SPOT before putting. Therefore, it was a loss of hole in the match play AS HE PLAYED FROM THE INCORRECT SPOT.

So, when marking the ball - Place marker, REMOVE BALL, then use your putter head to align a target (*tree, fence whatever*) and move marker to end of putter head. When you move it back align putter head and move marker back to the original spot. DON'T JUST PUT THE BALL DOWN WITHOUT THE MARKER ...just a helpful rule to remember cheers.

What's what:

HONE HEKI : Was played for on Saturday and ALREADY THERE IS A STAND OUT WITH 60 NETT TO BEAT.

Dave Cooper shot the lights out on a 26 handicap (*not for long*). He Also beat a HOT DOG single figure player off the stick. I suppose if it was off the stick it's not a hot dog It must be a Sausage? SO NOT SURE WHO THAT WAS? The bigger question is can Dave hold it together... I heard he already has his owns tees with champion golfer on them.

PENNANTS TEAMS: Sunday 14th February Men's Teams were at Waverly And Pungarehu,

Manu 1 Went down to Westown 5.5 to 3.5 so a big day down south lads, better luck **next week chaps against Hawera at Fitzroy.**

Manu 2 Had a win 7.5 to 1.5 against Mania. Putting was a bit of a lottery on the day as the greens weren't the best... but a great little course and a good lay out and friendly as you can get in the club house. Great BBQ burgers to add. **Stratford next week lads to take on the mighty Waitara**, so that should be a battle and a half.

The Ladies had a win 5. 0 at Westown so well done girls great start.....keep that up.

Golfing Tips

ALWAYS TRY to BRUSH THE TURF, if you do you will never top the ball !! Now read that again because all amateurs top the ball & it costs you shots every time. Easy for me to say but not always easy to do. A great routine is always to take 1 practice swing & try to brush the turf or take a divot. (It's the same thing.) The practice swing is a rehearsal of what you are about to do, so by brushing the turf or taking a divot you are allowing the loft of the club to lift the ball. Do it on your practice swing you have given yourself every chance of doing the same swing on the ball. To improve – **ALWAYS TRY to BRUSH THE TURF.**

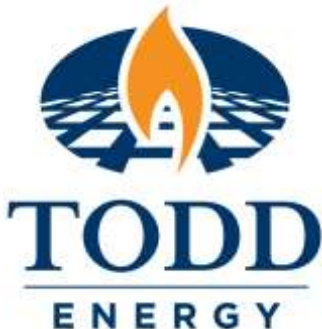

Good Luck & Happy Golfing. Your Personal Pro John G
