CARPARK SEALING PROJECT

It is with excitement that report that the sealing part of our carpark project got under way today and hopefully will be finished tonight (although I'm not holding my breath). Downers have done a fabulous job and have asked for us to stay off it until next Tuesday. For this we need your cooperation and common sense to take the neighbour's driveway on the right to drive up the grass verge to enter the course thru the fence section removed and park out on the practice fairway or on the course driveway behind the practice nets.

I ask that you be wary, when exiting after your day, that there may be players still on the course. So **PLEASE** show consideration for everyone's safety. Exiting will be the same track as you came in on.

Thanks All
JR

Club Captain Report – Gary Crawford

Hi Dee Hi Golfers

A big CONGRATULATIONS to all the ladies who won their Stroke Play Champs, well done (hope you all enjoyed your games).

The last round for the men's Stroke Play is this Saturday, (let's hope for fine weather). The top four from each division will be teeing off together from the 1st tee and are as follows

Division 1 at 8:56 Kingston Taylor Voyle, Shane Grylls, Jody Bound, and Paul Rauputu.

Division 2 at 9:04 John Rayner, Richard Hamel, Kerry Edgcombe, and Ken Lenard. This is a very tight division and if the players placed at 5th or 6th have a good game, they still can take the top spot, (so watch yourselves boys!!!)

Division 3 at 9:12 Les Wildman, Ash Clarkson, Barry Newlove, and Kelly Brown.

Division 4 at 9:20 Matiu Adams, Terry Butler, Mike Lopy, and Mike Burkhart.

This format was decided at golf on Saturday so please make sure that you pass on this draw information to anyone who had already left for the day or who does not read the newsletter. We want everyone to be informed and we hope the draw will make for an exciting end to the Stroke Play Champs.

Good luck to everyone and "may the force be with you".

The top voucher winners for last Saturday are:

Division 1 winner Shane Grylls, who also picked up the Jack Pot with 2 twos. One on the first par 3 and the second on the last par 3. Well done Shane.

Division 2 winner Richard Hamel, did enough to take top place with Gross 82 and that was also enough to secure him a spot in the top 4.

Division 3 winner Ash Clarkson with Gross 87.

Division 4 Winner Matiu Adams, once again, took out top place with Gross 99 (maybe it's time someone had a look at Matiu's handicap???) Well done to all the winners last Saturday.

Good Golfing Gazza

Silver Ester White **Bronze** Joy East **Bronze 2** Shona Guthrie **Bronze 3** Trisha Crawford

Wow what a competition the strokeplay became this year. It all came down to the last round to determine the winners. Well done to all those that competed and made this a rewarding championship.

Saturday we also competed for LGU and home pennant. Andrea took out 1st nett with 69 in silver, Joy East bronze with 76 and Shona Guthrie 70 in Bronze 2.

Putting was exceptional this week - possibly thanks to some exceptional greens - Jude took out top points with 26 putts, Andrea 28 putts and Nicole with 29 putts.

After having 5 twos last week no one was able to secure one this weekend. So we had drawn two's Nicole, Ester and Jo B, all get a voucher. Waitara Pharmacy voucher was also drawn by Jo B.

This weekend we have the first round of Top Dog, Good luck ladies for this.

Weekend ladies would also like to pass on sincere condolences to Colleen Hoskins for the loss of her dear husband. Our thoughts and prayers are with you at this sad time.

Hope everyone has enjoyed the Queens weekend and we look forward to seeing you all on the course on Saturday
