

Club Captain Report

Last Saturday saw the weather a little doubtful from above but there were 30 players that braved the elements.

We had two comps for the day the **Joll Cup players and Non Joll cup.**

Not all members could read correctly but after all was completed the starting sheets were sorted out.

In the **Joll Cup after doing Mk2** of the draw all the players that scored -10 or better with the exception of Skully who was knocked off by Big Al a lot **Qualified for match play this weekend.**

The draw is up on window at the club house with the first knockout round this weekend.

The matches are played Handicap so there will be shots given and taken.

The king pin of the that was **Robert Middleton with a plus 1.**

In the other comp The **NON Joll Cup played Stableford and Shane Grylls finished with 35 points.**

With seeing these scores it shows how tough it was out there.

News Flash: The ladies have a new shower block as we saw last weekend. A group of ladies were standing on the Twelfth green as the rain tumbled down, sad to say not one member offered to run towels out to drenched ladies, I am sure though they will be back this week.

So this weekend **Joll Cup match play starts and the rest will have a separate comp** so hopefully they will get it right when entering for their score cards.

Saturday Ladies Golf Report

Only 6 ladies braved the weather last week with **Joy East** winning the haggie, twos were drawn and the winner was Jude.

The **weekend ladies had pennants at New Plymouth** on Sunday and came, away with the win.

We are hosting pennants at Manu this Sunday and we are looking for donations for the raffle table. Please bring to golf on Saturday.

Hopefully the weather behaves and we will be playing LGU and Home Pennant plus Bleakley Tray.

Jude.

Greg Norman Golfing Tips *Posture Is Natural*

There's no need to agonize over getting the 'ideal' position at address. Here's a simple way to find it. Without a club in your hand, flex your knees, bend slightly from the waist, and then let your arms drop down naturally. Clap your hands together, and you'll be in the proper address posture. It's as simple as that.

If you grip your club - any club - from this position, you should find that its sole lies flat on the ground. If it doesn't, don't change your posture, change the club.
