

## Club Captains Report

Hello to all. Hope we are all well.

### **RYDER CUP was on this last Sunday and those Hillbillys got us again**

Good effort team and we will get it back next year. **The shining light was Dart** who took out player of the day. **Saturday 3<sup>rd</sup> October** was the Spare stroke play day which was on PAR and **Colin Upson was showing that he still has it with a very good +10** so well-done Colin.

**Top Dog competition.** Starts this week so thanks to all who have entered the comp this year and looks like we have a few teams in so all go full steam ahead. As the start sheet was already up and times booked, we may need to do some adding on day one. But if the dot golf allows when you come, can you pick your partner. As for this week you may not be playing with them. It would be nice to get the teams together for the last three rounds so grab your partners number and set up times on the starter sheet **FOR THE UP COMING ROUNDS** cheers.

**WANTED; 1 MORE PLAYER FOR TOG DOG PLEASE RING ME IF YOUR LOOKING CHEERS.  
PLEASE CALL 0277564329**

**NOTE: Top dog:** Can we get you all to put up your name and your partners name on the White board in the club house so we can see who is with who. thank you very much. I think Robert will set up dot golf to allow you to pick you're playing partner on the day via dot golf.

**Note:** Between the 4 rounds of top dog we have the labour day weekend and the Men's trip away ...so on the **Saturday 24<sup>th</sup> it is the 2ball best ball Mass Start at 09.30 am.**/This is for Both Men's and Ladies.

**Then the 31<sup>st</sup> it will be a self-haggle day for the Men** so make up your fours and have a haggle between teams' thanks.

**Men's trip update:** Can we all make sure we are paid up by months end please and the 3 putts paid in full to thanks. Drivers and pickups who is with who etc will be revealed soon. So, get ready lads for a nice quiet long weekend away.

**I must apologize to my old mate CHOP CHOP for my poor round** and we took a loss very rare I know but he tried his best to hold us up ....

*Thanks, and good golfing, Your club Captain Lofty*

## Funnies

The best thing about being over 50?

We did all our stupid stuff  
before the invention of the internet,  
so there's no proof!

## Golfing Tips

To go **PAST the HOLE** is possibly the most logical shot to play but how incredibly difficult to do consistently. WHY ??? Pressure & lack of the correct Practice Routine !!! To go past the pin on the approach shots is to know your distances with each club. Most of you see the shot as the best shot that you can hit & then not hitting it 100%. you fall short !!! So know your distances & then take 1 more !!!

On your chipping & putting, my old boss used to say “**if you don't go past the hole when you are practising you'll never go past the hole under pressure !!!**” Another big tip !!

*Good Luck & Happy Golfing. Your Personal Pro John G*
