Club Captain Report

Hello to all...hope all is well.

Hi TEAM well no golf last week as the weather was shocking.

This week we will be playing the second round of the **LYE trophy on Stableford** as well as the **Tuapai Cup** make up your own fours. Can **the ladies in the Lye Trophy** please do your **Stableford** as well ...? you are playing nett this week so that will work out good and help us catch up thanks.

NOTE; Robert will set up the dot golf so can we please tick the box if you played the first round of the Lye Trophy as well as the Tuapai cup . *(IF YOU DIDN'T PLAY THE FIRST ROUND OF THE LYE TOPHY PLEASE DON'T TICK THE LYE ROUND 2 BOX)*

NOTICE TO ALL GOLFERS. PLEASE FIX YOUR PITCH MARKS ON OUR GREENS AND REPLACE DIVOTS. It was noticed on Saturday there are a lot of pitch marks on the greens, we need to repair them please and everyone needs to do it...same goes for divots thanks.

UP-COMING EVENTS:

24th - July we have the **2nd round of the Lye Trophy** along with the Tuapai cup both on Stableford. This week is a Donation entry and we will run, the raffle @ \$2 as per normal. BUT NO TWOS OR JACKPOT IN THESE ROUNDS SORRY.

Kiwi Butcher competition is on in **August on Sunday the 22nd** and a tee sheet will be up from Wednesday for those interested.

Match Committee this week if we can team, we have some topics to go over so let's say 2pm ish Saturday.

Thanks, Your Club Captain Lofty.

We still have issues with Near Misses from golf balls with golfers not yelling out "fore!" when their golf ball is heading onto another team's fairway. Some use the excuse that they did not see anybody walking on the adjacent fairway.

Everyone should shout out "fore!" if their ball is heading offline over trees onto someone else's fairway, whether they can see people or not, especially on Club days and mass starts because we know more than likely there will be someone on the next fairway.

Bar Procedures and Roster

Calling any members wanting to help with bar duty on a Saturday and available for tournaments when required.

This is an ongoing problem to get members to help and take the pressure off the very few that currently do this volunteer work for our club.

Looking at splitting Saturday up - 12 noon to 2pm and 2pm to 4.30pm

If the struggle goes on the bar could be open a very limited time each week, which is something we do not want to happen.

Saturday 31st July at 2pm the club would like all members wishing to step up and help out meet at the bar.

This would be to run through the till procedure and duties required for the Bar licensing. To get our license renewed steps need to be put into place.

Social side of this club is very high, and the club wants this to go ahead in a positive manner.

As a volunteer you would only need to do a duty every 4-6 weeks which would be very much appreciated.

Golfing Tips

LEFT ARM CONTROL is a common term used in teaching & likened to using a compass. Putting the pin of the compass into the paper & scribing an arc with the pencil you will make a perfect arc all the time. The pin represents your head & the pencil your **LEFT ARM**. (*RIGHT ARM for Lefties.*) **Keeping the head steady & your LEFT ARM STRAIGHT & FIRM** gives you much more control over the club & therefore the ball. The same applies to your **PUTTING**. Keeping the **LEFT ARM & WRIST FIRM** is an absolute must to be a sound Putter. You must try not to change the position of the **LEFT ARM & WRIST** from start to finish !!!

Rules corner: Finding and identifying your ball - Garry Johnson

Purpose: Rule 7 allows the player to take reasonable actions to fairly search for his or her ball in play after each stroke.

The player must be careful, not to improve the lie excessively to improve to the conditions affecting his or her next stroke.

The player gets no penalty if the ball is accidentally moved in trying to find or identify it, however they must then replace the ball on its original spot.

1. The player is responsible for finding his or her ball in play after each stroke.
 - The player may fairly search for the ball by taking reasonable actions to find and identify it, such as:
 - Moving sand and water, and
 - Moving or bending grass, bushes, tree branches and other growing or attached natural objects, and breaking such objects, but only if such breaking is a result of other reasonable actions taken to find or identify the ball.
 - The player may remove movable obstructions to find or identify their ball
 - If taking such reasonable actions as part of a fair search improves the conditions affecting the stroke:
 - There is no penalty if the improvement results from a fair search.
 - If the player improves their lie significantly, the player gets the general penalty.
2. If your ball is buried in sand, you may move enough sand to identify your ball. However, the sand must be replaced to recreate the original lie. you may leave a small part of the ball visible if the ball had been covered by sand.
3. If a ball might be a player's ball but cannot be identified as it lies:
 - The player may lift the ball to identify it however,
 - i. The spot of the ball must first be marked
 - ii. The ball must not be cleaned more than needed to identify it
