President's Report

From the President

Saturday Club Day Tee Times

The committee recently received a submission from a number of members about issues arising on Club day Saturday mornings when “early” groups teeing off on the 1st hole about 7.30am arrive at the 13th tee about 9.30am, potentially clashing with Ladies groups teeing off from the 13th hole in their reserved time window from 9.30am.

After lengthy discussion at its monthly meeting on 18 July, the committee has decided on the following changes to the format on Club days, for a trial period commencing this Saturday 30 July until the AGM in December, with the aim of alleviating the situation:

- The first tee time available in the Saturday online booking system for teeing off on the 1st hole will be 7.52am during Winter and Spring months. This will allow the Course Superintendent time to complete his early morning activities in preparing the greens for Club day, and will mean that players arrive at the 13th tee slightly later.
- The Ladies have agreed to move forward the start time of their window for teeing off from the 13th hole, to 9.15am, which should reduce if not eliminate any congestion at that tee by the time the earlier players arrive there.
- As Summer approaches, first tee times on the 1st hole will be reviewed and adjusted to ensure a suitable gap remains.
- Ladies are encouraged to use the Saturday online booking system and tee off from the 1st hole whenever seeded draws are not required. This should also help alleviate the congestion problem at the 13th tee but may limit the tee times currently available to all from the 1st tee and mean that some players may have to tee off a little later than they might wish.

The situation will be monitored to see if it improves for all affected players, and prior to the AGM views will be sought to guide discussion and any fine-tuning action moving forward.

We trust that these changes will make the game of golf more enjoyable for our members, and ask that you please remember patience and courtesy are fundamental if everyone is to enjoy their golf when there are a lot of members out playing on Club day. Thank you in anticipation.

Treasurer – Temporary Cover

The committee is looking for someone capable of covering the basic requirements of the Club's Treasurer position for a few months, in particular handling invoice receipt and payment activities utilising the online Xero accounting software platform. If you are able to help, please contact me on 021-0436502. Thank you.

Club Captain Report – Gary Crawford

Hi Dee Hi Golfers

Are the Clarkson's Eskimo's? They seemed to have handled the polar blast that we played in last Saturday better than a lot of us. **Paul Clarkson and Ash Clarkson won the Tuapai Cup with 38 Stableford points each.** Well done! Next in division two was Phil Wilson 36 points, then Les Wildman 33, Gary Fulton 33, Richie Ransfield, Carl Beal, and John Skellern all with 32 points,

Top in division one was **Ivor Sarten with 37 points, Ivor also picked up the jackpot with 2 twos.** Robert Middleton and Paul Rauputu both had 36 points in second place, Both Nathan Lopyy and "yours truly" had 35, and Xavi Clarkson and Adam Burns both had 34 points, Well done to all winners.

3 ways to improve your golf game: take lessons, practice constantly.....or start cheating.

Special mention this week goes to **Brendon Dew** with only **16 points** (was that after 18 holes Brendon?)

This Saturday 30th we are playing for the **Whenuku Cup** This is a par competition and +16 should be a winning score Brendon but enough said about 16

Another month is about to pass us by, and after the weekend it will be August (a very busy month for golf) We have the **Manukorihi Cup** on the 6th followed by **Clarendon Cup** on the 13th, The postponed **Foreman Trophy** is being held on the 14th (the course will be closed until mid-afternoon). On the 20th we have **The Captain's Choice** (might play yellow tees with hidden holes, or traffic lights with hidden holes or just Stableford, - not sure yet so you'll just have to wait and see)

We also have the **Kiwi Butcher Open Tournament on the 21st August.** Get your team together and keep an eye out for the starter sheet which will be up very soon. The course will be closed again to Green Fee and other players on that day until mid afternoon.

"I once played a course that was so tough, I lost two balls in the ball washer!!!"

Once again a big thanks to all that work on or around our course

Good Golfing

Saturday Ladies Golf Report

With a very chilly start to the day 12 ladies played in the 2nd round of the RSA trophy.. Lesley Elliott took out the honors this year. Congratulations Lesley. She also took out the 1st division for the daily haggie with Trish taking out the 2nd division. Well done to them both as they also went home with a handful of raffles. Lesley had the best of days with also taking out the putting with 30 putts. Jo, Joy and Ester shared 2nd with Irish taking 3rd. I was lucky enough to play with Fay who got the only 2 of the day. Standing on the 3rd, 8 iron in hand, lovely swing topped the ball on the head and it never left the ground and ended up 2 foot from the pin. You could say it was a 2 putt hole. Well done Fay.

It is great to see the nine holers out braving the cold weather and well done Colleen Hoskins as the daily winner.

Next Saturday we have LGU and just a reminder of the announcement that Lesley made the Ladies are teeing off at 9.15 on Saturday so please have your names in by 9am.

Stay well everyone
Andrea

No Volunteer of the Week, but request has gone out to the members.

“If there are any members, that have any old exterior paint that they can donate to the club.

White, Blue, Yellow, Red, exterior would be fantastic. It’s for pegs and boundary markers, bird boxes etc around the course. We can mix different shades together so that’s not a problem. Can be drop off at club or workshop.
