Club Captain Report

Hello to all...hope all is well.

SO, Weather WAS FANTASTIC ON SATURDAY (*BIT COLD*) But the finals got played for the Joll cup. **I would like to say to sorry to Brian as I put Richie down as making the final but I was wrong (Sorry Brian)**But in hind sight that must of got the big fella going as **he took out the Joll Cup** against Robbie so **well done Brian**. In the **Flights Final** it was that man again having a stellar year ...**The oldSunstrike come from behind again to win out over Roger** ...so well done Sunstrike a good year and long may it continue.

3 person Ambrose: This was played on Sunday with a **field of 44 teams (thanks JR)**. What a day ..great weather ..good course ..no wind ..apart from JR ...Good food along with some great raffles and prizes to boot.*(beer was nice two)*

The day was played in good spirt and no complaints, so all was well. The day flowed nicely for the most part and some good scores were put up. **Nett 58.2 I think was the winning score and the top 14 teams took prizes**. The last team to take a prize came in with a **nett of 62.4** so the format seems to work very well without a team coming in with a runaway score being posted.

So we will carry on with this again next year. **Thanks to all the helpers on the day and leading up to it**. It helps the day go a lot smoother with many hands. The only downer on the day was that we will need to get **JOY EAST drug tested for enhancing drugsas she won the longest drive for the ladies** and it was a beauty it was well up there. Great drive Joy .

UP-COMING EVENTS:

10th and 17th -July we have the Lye Trophy with round 1 PAR and round 2 Stableford both weekends are **MASS starts with a 09.30 am tee off. Please be there by 9am** so teams can be made up ready to go thanks. We will make up our fours & it is a Donation entry over the next two weeks and we will run, the raffle @ \$2 as per normal .**BUT NO TWOS OR JACKPOT OVER THE NEXT TWO ROUNDS SORRY.**

24th -July Tuapai cup 1 round Stableford.

MY OPINION ONLY: Some might say why does his opinion matter well it doesn't really but I am aloud one?

The greens being cored and sanded has come in for a lot of negative comments and some Volunteers have copped a bit of flack as well. Comments like, *why are we doing this, why do we need sand greens, it's all about the low handicappers etc. etc. etc.* Well I think they are playing very well and at a good pace. They are still a little bumpy and this will get better over the next few weeks. On the weekend I managed to get a couple to hold up and that's great news as they will suit all levels of golfer soon. I would personally like to **thank the team that did all the work, and this will benefit the club as we move forward.** This does show that **SOMETIMES** changes on the course may not always be a bad thing and we need to have a little faith. If it doesn't work out, we can always go back. Maybe some green side bunkers wouldn't be such a bad idea after all??? with the right information being put forward???of course.

Thanks, Your Club Captain Lofty.

President Report

Last Friday 2 July the Club hosted the local annual Police Golf Day, when the weather was very kind to the men in blue and all the participants thoroughly enjoyed themselves and our clubroom hospitality afterwards. It was a really positive event for our Club from which hopefully we may gain some new members.

And on **Sunday the Club ran its very popular “Support Local, Shop Local” annual 3 person team Ambrose tournament** with a format outside the square: each player had to have one counting tee shot every three holes – so there was nowhere to hide! We ended up with some 42 teams competing, with many visiting players, and again the weather favoured us. The clubhouse atmosphere afterwards was fantastic, so a very well done and a **big thank you to main organisers John and Marie Rayner and Club Captain Jody Bound, as well as their band of helpers on the day.** Another great advertisement for our Club.

Golfing Tips

TAKING YOUR TIME is a very important part of playing good consistent golf

everything you do in your daily life reflects in the way you play

THE GAME. Talking, walking, even driving a car should be done

smoothly so that it becomes a natural rhythm in your swing. Arriving in good time to have a little

warm up, feeling calm & ready to play. A good golfer is a boring golfer, down the fairway, up to

the green, past the pin then into the hole. **EASY PAR.** **TAKING YOUR TIME** on the backswing

is **ESSENTIAL** because you "don't hit it going back **ONLY ON THE WAY DOWN !!!!**" **TAKE**

MORE TIME & become a BETTER GOLFER !!!

Good Luck & Happy Golfing. Your Personal Pro John Garner
