

MANUKORIHI GOLF CLUB INC.

Club Captain's Report

Last Saturday the course was looking great and the Tee blocks that are under maintenance are coming along nicely to be ready for the stroke play champs. Good work to all those workers out there.

The Men played for the De Brett cup last Saturday and the best of the day was Greg Jans with a 68 nett. He must have brought something good back from Aus, Well done Greg.

The best of the followers were Kelly Brown 69, Darryl (Dart) Baird, Robbie Brusing, Rob Fraser, Roger Clarkson and Jason Brown all with 71 nett. Out of the field of 42 there were 12 players hit to handicap or better and with stroke play just around the corner I think some practice maybe required for most of us.

There were four two's Robin B, Nathan L, Adam B and Greg J.

Once again raffles well supported thanks to all as well as the team organising them.

Just a couple of items to be aware of:

When entering the Saturday comps please all tee off the first so it is the same for all Thanks.

We have the Ambrose coming up on the 9th July and the field is filling up fast, so if you would like to enter a team, please contact Jody or Robert. We currently have space for only 12 more teams so expect it will be a full field having a lot of fun.

Good Golfing to all

Club Days

It was drawn to my attention this week regarding dogs on the golf course.

To the respect of all members, dogs are not allowed on the course on any club day. This is a distraction to members especially when not on a lead and running on to the greens.

The matter of dogs in general on the course will be discussed fully at the July Meeting but up to that decision please do not have any dogs on the course on club days.

Saturday Ladies Report

It was a lovely day out on the course for the 2nd round of the Fraser Cup. The Fraser Cup is the best score on each hole over 2 rounds then NETTED, I think? After doing some manual calculations and a confirmation from the machine and Club Captain we have a winner. To be announced on Saturday.....

A number of ladies scored points with some great putting results:

3 pts - Lesley E and Rachelle Q with 28 putts

2 pts - Fiona R and Andrea F with 30 putts

1 Pt - Joy E

A two was rather elusive on Saturday so a card was drawn with the voucher going to Rachelle.

Looking ahead to this Saturday 24th we have LGU/Home Pennant and the Bleakey Tray round 2

Happy Golfing.

Rachelle

Tuesday Ladies Report

Very chilly day which left all the layers on during our game.,

Played LGU and Bleakley Tray. Best round of the day was Joy East and Fay Rowe both on 71 nett. Putting points went to Fay 28 putts, Robyn 31 and Marie 34. The twos were drawn and the lucky winner was Jude. The chemist voucher winner this month was Jo Foreman.

Next week we play Barbara Sharrock - stableford and the starter is Marion.

Good golfing

Marie

Volunteer Of The Month

As Isuzu D Max would say. “BLOODY GOOD BASTARD”.

Great Clubs are so often backed by great volunteers

And none so more than Manukorihi Golf Club. Yes, we have so many people out there doing a little every week or every month or even every day that keeps the club Ticking. And in 18 months of membership this man has certainly made an impression. Greg Jans (JANSY) came to us from Kaitake and has certainly given us his all. Many will not realise as a brand-new member he came to me asking if he could take on a project of clearing the hillside alongside the 5th tee with the vision of planting it out in natives. Thru the summer heat of 2021/22 he tirelessly worked on that hillside scrubbing out years of gorse and bracken and prepping for what we now have a beautiful native area. While doing it all on his own (because that seems to be the way Jansy rolls) he managed to give time to the men’s toilet renos (thanks mate for helping to achieve the end result).

Then he moved on to the car park preparation where many would not realise Jansy went into his “trade mode” and replumbed all the kitchen and stormwater off the clubhouse. Under his recommendation a “fat trap” was purchased and installed into a new waste system by yours truly. So, thanks to Jansy we now no longer have waste or stormwater running under the clubhouse. The garden beds at the front entrance - thanks Jansy. The nice little green carpet entrance - thanks Jansy. All this while still managing a bit of mowing out on the course.

So then after completing the 5th he just thought he might want to spend the summer of 2022/23 scrub cutting and clearing behind the 11th to beautify another special spot (or maybe a little club farm). Along with all this he manages to strike up sponsorship of plumbing product from the wonderful ZIP PLUMBING SUPPLIES and Holes R Us, all while getting in a bit of white baiting up the Mokau and Waiwakaiho Rivers and then donating it to the club to raffle.

Jansy you are one very special club member

And as Speights would say “THAT MAN DESERVES A BEER”

So next time Jansy takes you down on the course maybe an extra beer is called for.

PRO TIP - back to basics

The Pitching Wedge is the most flexible club in your golf bag. As I mentioned in Pro – Tip 8 you can use it from 1 metre up to over 100 metres according to the individual. The power is not essential accuracy is!!! Everyone has basically 4 Gears. 1 – 2 – 3 - 4

4th gear is your normal full backswing (head high approx.) same F/through

3rd gear would be a ¾ backswing (shoulder high approx.) same F/through

2nd gear only ½ a backswing (waist high approx.) same F/through

1st gear just a short backswing (leg high approx.) same F/through

Having the same length of backswing as the follow through helps you with your **BALANCE!!!** Hit 20 balls & learn one gear at a time, then you will begin to control that **Pitching Wedge**.

Good Luck & Happy Golfing.

Professional John Garner.

1. Enjoy your day
2. Ambrose with a twist.

Your first hole of the day = all 3 tee off. Select the shot you wish to play your second from. Everyone continues as per normal Ambrose until ball holed. Your second hole – the persons tee shot used off the first hole sits out – so now you choose from 2 tee shots. Continue as for normal Ambrose with all 3 players playing out until holed out. Your third hole both shots used off previous 2 holes sit out, leaving the last team member to be used off the tee. This format is used in the next consecutive 3 holes and so on for 6 times. So, everyone uses 6 tee shots – 1 every 3 holes.

3. Longest drive 18th hole - divisions men's -and ladies. All able to play tee shots for longest drive. But eligible tee shot/s still to be used to complete hole.
4. Hole in one hole and closest to pin – 7th hole. One division. Again, all able to play tee shot for prize – but again eligible tee shot/s to be used to complete hole.
5. Lowest nett score wins day. Course handicaps off white tees for men and yellow ladies. Handicaps added together and divided by 5
6. Cards to be swapped and marked by other playing team. Marking tee shot used as on card.
7. Enjoy your day by challenging the other team for a beer on a hole by hole match.
8. Maximum on course HCP WILL BE 36 so you can still play if over 36 but this will be the max for the competition
9. ALL players must be affiliated to a club.
10. PLEASE BE AT CLUB HOUSE AROUND 9 AM SO WE CAN SORT CARDS AND TEES THANKS.
