

MANUKORIHI GOLF CLUB INC.

President's Report

Well, what a great three days for our Club this week, with Manukorihi proudly hosting the Eagles National Under 17 golf tournament for the first time in its 42-year history. Practice rounds for the 60 participants from 15 provinces all over the country were scheduled for Monday afternoon, but the stormy weather arrived about 4.30pm and some players were unable to complete their rounds. Unfortunately, flight delays also impacted other players, especially those from the South Island, who missed out altogether on taking a look at our course before tournament play commenced yesterday morning. The 54-hole tournament comprised 36 holes yesterday and 18 holes this morning, and much of the play was very impressive to see. Luckily the weather came right in time for a perfect day today, with our visitors getting to see and take pictures of our famous mountain!

Players were very complimentary about our course, in particular the greens, and for this we must thank our Course Superintendent Brent Stevens and his band of Club volunteers for all the dedicated preparatory work they have been putting in over the last few months under very challenging weather conditions. Our tournament administrators Marie Rayner and Joy East did a brilliant job keeping everything running smoothly, from sourcing 36 trundlers to handling all the scorecards and various other issues that arose – they did our Club proud, and have certainly earned our sincere thanks for enhancing our Club's reputation. Our caterer Rochelle Coleman also did a sterling job providing great food for all and sundry over the three days.

Just a reminder that, along with Ladies' Tuesday golf, the New World Wednesday Club has been rescheduled for tomorrow, Thursday 5 October, with the intention of a mixed field teeing off at 9.30am.

Finally, good luck to all finalists in the Club Matchplay Champs this Saturday.

Club Captain's Report

Hello to all, hope all is well.

THIS WEEK saw the Top Club being played for and to be honest not many turned up and I don't blame them. Not sure who we are going to put forward if any, time will tell.

Corson's Tyres 100 Club WAS ON LAST SUNDAY, WELL WHAT A DAY.

let's start with what a great day and fantastic prizes and raffles you have done us proud all those involved.

By Far the best 100 club I have been in said one punter. I had half a dozen texts from others (not just club members) saying what a great show we put on.

So really a big thank-you. The members of the club should be proud of your match committee, volunteers and staff alike. In fact, it went that well that Sausage has already filled next year's 100 club and Corson's Tyres has promised they will sponsor again. So that is saying something. Please see snip of winners on page 5 cheers.

The only thing we had go slightly wrong was the bar chiller or lack of IT!!!! We couldn't keep up with the cooling and some of the patrons were a little annoyed by this which is understandable. But if we have issues like this, please come and see the match committee or myself so we can follow up on such issues. This will help us to see if we can get something sorted. So before complaining to our volunteer bar staff or complaining about it to other club players please at least give us the chance to rectify it, Thanks

P.S. Yes, we will be sorting the issue and pushing for a new system before Xmas and the warmer months.

BIG THANKS TO OURS SPONSERS:

Corson Tyres, Animates and MG Taranaki

This week club match play champs

We need an umpire for the intermediates just to keep score etc the rest have been covered so please get hold of me doesn't have to be a match committee member.

For those who want to see a good up and coming young player then come and watch the finals as the young man is in some form and a pleasure to watch. It's just how consistent he is and getting longer off the tee. Still only 16 years of age so man to man when gets up to 19 odd he is going to be driving the par fours. Great to watch. PS Good luck Vesty.

See pairings below for the final's day for Club Champs 7TH oct: NOTE others may play after 1 pm please come down and support these games as it is the club thing to do.

Senior MENS: Kingston - v – Vesty 8.0am start 36 holes.

Intermediate men: Jansy - v - Bingo 8.30am 36 holes

Limits: Terry B – V – Mike Burkhart 9.30am 18 holes
9-hole ladies: Rhonda McFarlane v Barbara Hunt 11.am 9 holes

Chance of a lifetime? We are looking for a project manager. A Volunteer to oversee some up-and-coming projects we are looking into. So, if you think this is your skill set is please catch up with us. Things like getting quotes, meeting 3rd parties at the course to get ideas and show them the plans etc. As a lot of the current committee have day work it's a little hard to get away and we need someone who can get all the info, and this would allow us to push these jobs forward cheers.

Thanks for your time Lofty and Chop.

PRO TIP - back to basics

To go **PAST** the **HOLE** is possibly the most logical shot to play but how incredibly difficult to do consistently. **WHY???** Pressure & lack of the correct Practice Routine!!! To go past the pin on the approach shots is to know your distances with each club. Most of you see the shot as the best shot that you can hit & then not hitting it 100%. you fall short!!! So, know your distances & then take 1 more!!!

On your chipping & putting, my old boss used to say “**if you don’t go past the hole when you are practising, you’ll never go past the hole under pressure !!**” Another big tip!!

Good Luck & Happy Golfing.
