

Club Captain Report

This last week was the Club Closing Day /Mini Hamper Comp and I think it went very well and it seemed a lot of members stayed which was very good so thank you all, it shows pride within the club....

Congratulations Teddy and Helen who won the Barry Brown cup and to all the winners and

Gary CrawfordSome points to note during the year were **Martin Nobbs nett round came from nowhere NETT 58**. I THINK and **David butlers 17 on the 17TH or was it 20** anyway it was a lot and ...7 from the beach. **But the biggest** had to be in the match play comp when the unnamed **Hommer J.R. Simpson** was 7 up and SITTING pretty .He was even giving a few long putts for half's ??? and this may have been the undoing as history shows **Kerry Edgecombe's name is on the cup**. Congratulations to the few that **got a hole in one**, this year we had 5 members I think ...sinking the ACE. Overall a good year golf wise and a hard year trying to sort issues Covid 19 and on course changes WELL DONE ALL ...WE HAVE MADE IT ...AND I HOPE 2021 IS A LOT BETTER....

CHRISTMAS HAMPER LAST WEEKEND.

This was WASHED OUT AND **NOW ON THE 20TH DECEMBER** PLEASE PUT YOUR NAMES BACK UP AS WE WILL NEED TO FILL IT UP AGAIN CHEERS.

PENNANTS TEAMS: Two handicap teams have been entered this year. Match committee will get together and select the teams and their captains. We had 16 names up so this gives us two squads with two reserves each.

ELECTIONS TIME: Please get in and put your names up so we can have a committee next year.

AGM is on the 7th so if you want to see how its all going and have your say etc.

Twilight: This year going well, and we do need some help coming up so let's give the team who are doing all the work a break and help out. January and February, we need some help and cover for about a month or so.

BAR MANAGER

Over the past few months the committee have been discussing the prospect of employing a Bar Manager. This position is needed due to the lack of volunteers to help out over weekends and tournament days. This position will be a paid job by the club.

The hours would be flexible but Saturday and Sundays each week and other days to fit as the club programme requires. Please phone Marie 0273552349 for further details.

Golfing Tips

The Putting Grip which is widely taught when a golfer first starts is called the reverse overlapping grip. If you are right handed place your left forefinger down the outside of your right hand. It may curl around your little finger or straight down along all your fingers. It is a personal feel, whichever feels comfortable. (*Lefties do the opposite of course.*) This grip is recommended because it helps keep the **Back of the Left Hand** going forward thus keeping the **CLUB FACE SQUARE** towards your **TARGET !!** In the world of golf there are many different styles & putters but try the **REVERSE OVERLAPPING GRIP FIRST** before the others you might just find that **YOU LIKE IT !!!**
