Club President Report

Greetings and best wishes to you all for 2021 - let's hope for a year of less stress than we all endured in 2020!

With our **Opening Day on 30 January**, a big **thank-you is due to our course staff and volunteers** who have worked hard over the holiday period to ensure that our course continues to be in great condition.

Thanks also to Joy East for the many hours she has put in keeping the clubhouse and bar open over the Xmas and New Year period.

Further to my report in mid December on the AGM, I am very pleased to advise that one of the new members elected onto the committee, **Trish Crawford, has decided to step up and take on the Club Secretary role**, while **Jody Bound has agreed to another year as Club Captain** - thank you both for filling these two key positions.

For those who may be suffering ill-health at present, our thoughts are with you and we hope that, where possible, you will be able to get back out on the golf course soon.

Finally, as a continuing coronavirus safeguard, please remember to **scan into the Covid Tracer QR Code** when arriving at the golf course.

To good health and good golfing,

Richard Crowe

"NOTICE FROM YOUR TREASURER"

Members should have received their subscription invoice by now. Please note that at this stage I have not invoiced for admin fees (\$50) for paying by instalments or for cart shed and locker hire.

It would be much appreciated if we could limit instalments to monthly, to minimise the number of bank transactions requiring reconciliation. If this causes hardship please contact the Treasurer. It would also help if instalments could be stopped once the balance owing has been cleared. This will also help to minimise the number of bank transactions.

Invoices to cover the above will be issued in due course.

Triple Peak Twilight.

Twilight every Thursday from 4 to 6pm. \$10.00 includes a raffle and chase the ace.

The clubs caterer Jan is doing meals at \$10.00. These are great value and well worth supporting.

A great way to bring new golfers to enjoy our great course at Manukorihi.

Veterans Golf

The first Vets Monthly tournament for 2021 was played at **Manukorihi on Monday the 11th January** in perfect conditions, on a very well prepared course. **Congratulations to Justin and David and their helpers.**

We had a field of 94 players, the biggest I have seen here from previous years with 20 ladies enjoying the day, the biggest field of ladies ever.

Russell Bernasconi got second prize in the raffle and also finished 2nd in the first division winning 2 balls. Other winners that also received golf balls were **Ted Danych and John Rayner**. Well done lads.

Many thanks to Jan, Joy East, Trevor Hughes, Joy Andrews, Marie and John Rayner for all their help on the day.

Well Done Manukorihi

Golfing Tips

ONE – ARMED PRACTICE will improve your Game but most of all your **“YOUR FEEL.”** Using your left arm or your right arm only for putting, chipping or an 8 Iron full swing develops the necessary **“feeling“** of using your **Hands & Arms**. If you don't - you won't hit the ball !!! It's what I call forced learning. You have to use your hands & arms properly. Take putting, you have to work your hands as one unit **“togetherness.”** YOU CAN'T BE WRISTY & hole the putt. In chipping you must have your hands **“leading,”** otherwise you'll duff the shot !! In the full swing using the 8 Iron (from a tee please, its just easier, you'll find out why ???) The left arm is the **WIDTH** of your swing & also your **RHYTHM**. The right is the **POWER & THE PATH** of your swing. When you try this be careful not to overdo it, 5 balls with 1 hand then 5 balls with the other. REST & repeat once more, that's all in 1 day otherwise you can hurt your wrists & elbows or shoulders. Just try it & see how difficult it is to keep a **“Steady Head”** & a **“QUIET BODY.”** **ONE – ARM PRACTICE** will improve your game, if you are **PATIENT ???**

Good Luck & Happy Golfing. Your Personal Pro John G
