## Ladies Report

Tuesday Golf 6<sup>th</sup> January

We played a Stableford competition and as we all played pretty well it could have been anyone's game – or so we thought! And then Julie Wesley came in with her very impressive 25 Stableford score with a par on the 8th, 12th, and 18th  
2nd equal was Rhonda M, Barbara H, & Jenny R

After our game we had a shared lunch and raised our glasses of bubbles with a toast to Helena Lopusiewicz for her magnificent Hole in one on the 3rd hole. We who witnessed it were pretty excited as we had never witnessed this (lucky, great shot) event before. Onwards and upwards

Helena 😊

**9 Hole Pennant Golf starts back on Monday 9<sup>th</sup> February.**

**Manukorihi is hosting the 1<sup>st</sup> game. Can we please have donations for the raffle table**

## Corson's Tyres 2-dayer

112 in the field on Friday morning – 111 played with one player pulling out at the last minute

–

Friday the weather was great and the course was magnificent – Ryan, JR, Stratty and other volunteers made a grand effort to present the course to the highest level. Greg emptied all the bins before first tee, Terry and Shane raked all the bunkers – huge thank you to all of these people. Having the course like this had made this a huge success.

Saturday the weather took a turn for the worse half way through the day but everyone battled on and we were dry once we came off the course. Scores not as good as day one for some.

People arrived early for tee times and the club was buzzing, Maree in the kitchen was well prepared (even though she was flying out to Hobart and Saturday afternoon) – she was thrilled with the extra income this tournament provided.

Darren Rice, Corson Tyres was the main sponsor for these 2 days and what a huge contribution this was. He was on show and Ricey as always did not disappoint. Thank you so much Darren for being a member of our club, what you do for us is amazing so from all of us Thank you.

Huge amount of people to thank-

Nicole was my right-hand person and I was truly grateful for her help

Lofty, Boo, Ivor and Chop for doing all the starting and taking the entries on day one, huge job.

Kevin for the sweepstake – huge success

Terry and Shane for the bunkers and filling up the fridge along with JR and JC.

Marie for entering the cards and helping with the computer – thank you.

Stacey and Carol for working the bar- this was amazing work from both and the tips received were well deserved.

Rob for being unwell but still living the tournament for the past 6 months.

Skelly for standing at the raffle machine for the sweepstake.

We had 11 different clubs present plus one international.

The match committee stood up and worked so well as team this made the tournament a huge success. Thank you to you all

The only complaint that I received was about slow play. This was from people mainly at the back of the field. The first groups that went out played a 1 hour ten minutes for first six holes, so no hold ups on tee blocks when they came around so somewhere in the field there was a breakdown. Perhaps we could have marshals on the course to keep the field moving.

We have already been asked if we will be running this again, and I am happy to inform you that Corson Tyres have agreed to stand up again next year. We have a couple of things to tweak, so if you didn't play this year look out next.

Congratulations to all the prize winners and thank you to all that took part.
