

## Club Captain Report – Gary Crawford

### Hi Dee Hi Golfers

Finally some reasonable weather for golf, and what a way to start Stroke Play Champs. This is the best 3 out of 4 rounds, so if you're like me and didn't play your best game, there is still hope. The stand-out players so far are as follows:

Division 1 (+5-9) **Darryl Baird** with gross **73** leading by 1 shot over **Kingston**. Darryl also got the jackpot with 2 tows. One on the 3<sup>rd</sup> and the other on the 11<sup>th</sup>. Well done Darryl. **Dane Cassidy, Paul Rauputu**, and **Nathan Lopyy** are chasing with a gross 78

In Division 2 (10-17) we have **Peter Bingham** and **John Rayner** scrapping it out for the top spot, both with a gross 86. **Steve Voyle** is right there with gross 88. **Ken Leonard, Richard Hamel** and **Robert Fraser** all had gross 90.

In Division 3 (18-24) **Kelly Brown** and **Les Wildman** are leading with gross 90. **Barry Newlove** and **Ash Clarkson** are chasing with gross 94, followed by **Mike Letherman** with gross 95

And finally, in Division 4 (25-50) **Matiu Adams** (Playing like he's in the wrong division) had a gross 92. Matiu has an 8 shot lead over **Terry Butler** with a gross of 100. **Michael Burkhart** and **Ron Oxenham** both had gross 108.

If any of the leaders have a bad round, and if you have a good one, the leader's table will change so good luck to everyone.

A very well-run and fun (until I started shanking) **Sunday School** was held last Sunday. This is a fun day with great prizes and raffles, so if you missed this one keep your eyes open and watch for the next one. We had 9 teams playing **Mixed Top Dog** which was also held on Sunday. **Rachelle Quin** and **Robin Broadmore** took away the trophy this year with 44 Stableford points. In second place were the **Mancers** with 41 points and the **Rayner's** also with 41 points.

**This week's special mention** must go to Robin Broadmore who had a gross 100 on Saturday, so it must have been all Rachelle in the mixed top dog!! And at the other end of the placing for the mixed top dog were Darryl Baird and Fay Rowe (funny how you can go from the top one day to the bottom and vice versa) but that's Golf!!!

**A big thanks as always to Green staff and all the volunteers.** The course is in great condition and it is improving every week.

'On today's episode of 'My wife insisted on cutting the grass' ..

**This Saturday** is the **second round of Stroke Play** for both the men and the women.

**On Sunday 18th** we have the **Kiwi Butcher**. This is filling up fast so if you want to play, get your names in quickly. The course will also be closed to anyone not playing in the Kiwi Butcher until mid-afternoon.

**Slow play** has raised its ugly little head again and was discussed at the committee meeting on Monday night.

The committee agreed that the players that are continually getting named as the players slowing down the field will be approached and spoken to by The Club Captain.

There are a few simple things you can do to speed play up such as playing ready golf,

- If you are on the tee and your mate is still writing scores or whatever, just tee off.
- If you're on the green and you're close to the hole, putt out and once you have putted start walking to the next tee.
- If one of your mates is taking too long and slowing play, just mention that we are losing fairways and we need to pick up the pace.
- If you're looking for a ball, you only have 3 minutes and if you are not sure if your ball stayed in play or stayed up a tree, play a provisional. We are all here to enjoy our game so **please please** keep up the pace.

*Good Golfing*

Good luck girls. Next week we are playing LGU Home Pennant and Rnd 2 Foreman Trophy.

## Saturday Ladies Golf Report

Hello

To start with this week I need to make an apology as I started in a newsletter a couple of weeks ago that Joy East had a close hole in one on the 3rd, this should have read Joy Andrews. Apologies that this disappointed the people concerned.

This Saturday was round one of the stroke play. This is the best 2 rounds out of 3 so if you didn't play this week come along on Saturday and join in,

Silver division is being led by Fiona Rook - but there is only a few shots between all players,

In Bronze division Joy East is at the top with Fay Rowe a few shots behind.

Bronze 2 has a good battle starting between Rachelle and Shona.

Bronze 3 Robyn Chamberlain is the leading player.

Not only did we have the stroke play but we also had a nett haggie - Fiona took senior division with Fay taking out the 2nd division. This week we had a couple of twos, Jude Mita and Joy East. Putting went to Jude Mita 1st, Andrea Fraser 2nd, Nicole, Fiona, Barbara and Kath 3rd.

Well done everyone. There is something about stroke play championship that makes people strive for the best. Good luck to everyone playing in round 2. Always play in good spirits.

This Friday Manu has put in a challenge to Urenui for the Taplin Cup. This will be played at Manu - our team is Fiona, Jude, Joy East, Fay and Pauline. Good Luck ladies.

Hope you all have a great week and see you all on the tee on Saturday

Andrea
