Men's Club Captains Report

Saturday Golf.....Greenkeepers REVENGE

Well it certainly was..from teeing off on different tee boxes to putting around rakes and hoses and pegs...to teeing off on the 3rd

With a little pink golf club. Ryan our much loved greenkeeper probably had his ears burning all afternoon...Pins on greens or should I say edges of greens or slopes of greens to the cup on 7 even been raised above putting surface. To finishing on 18 by putting into a toilet seat it was all good fun and probably everyone keen on flushing their round..

However there was a method to the madness as the coring maintenance that the course staff and volunteers had done to the course during the week was amazing we will reap the rewards of this in the months ahead.

So it was a perfect time to do this challenge.

Stableford winners of the day were

1st Ryan Wills 36

2nd Toko Waitere 33

3rd Kerry Edgecombe 33

4th Clayton Riddle 32

5th Elliot Gunn 30

6th Wayne Odonnell 30

7th Carl Beale 30

Well done to all that participated

Special thanks to the volunteers with the construction of the bridge and its surroundings.

Looks absolutely fantastic so cheers to Greg and helpers .

Great to get this project ticked off.

Lofty and Kev

Greenkeepers Revenge

A massive thank you goes out to Ryan who setup the best revenge ever been on the course.

It had everything from pins and Tee blocks in places some had never been before also with different objects on the greens with the biggest revenge was the sixteenth, a piece of hose circled around the hole. Scoring on that hole was very interesting with at least 5 golfers scoring a **12** Most of the players managed to use the

short pink club off the 3rd after it was returned back to the hole as Vanders been an honest golfer saw it lying on the Tee and brought it back to the club house.

Best of the day with 36 points Ryan Wills (don't know how) followed by Toko and Kerry Edgcombe with 33. There were many scores in the 20's and some as low as 14.

A great fun day had by all with plenty of chatter after getting past the toilet seat on the 18th

John Garner's golf tips

This week's tip is about an **Open Champion; George Duncan** who won the **Claret Jug in 1920** a couple of years before our own **David Musker** was born!!!! I had the privilege of meeting him in 1962 when I was caddying for my local Professional Alan Gillies. I was listening to a conversation about the swing being likened to a wheel & your head should be in the centre of this imaginary circle & it should be steady at all costs!!! Have we heard this before!!!

Now it isn't a vertical circle nor a flat one but between the two at about a 45-degree angle. Our head is stuck in the middle, your arms are the spokes & the ball is at the bottom. Boy this game sounds so easy & yet it isn't!!!

The reason being that you can't see yourself as you're swinging & every part of your body is moving on the way back & then on the way forward in only 2 seconds!?!?

So the BIG TIP is to imagine a pencil on the end of your club & you scribe an arc backwards & then forwards as smooth & you can. Just like The Great George Duncan did at Royal Cinque Ports, Sandwich, winning with a 4-round total of 303, hickory shafts & gutta percha balls!!!! **HEAD STEADY & THINK OF YOUR CIRCLE!!!**

Good Luck & Happy Golfing.
Professional John Garner.
