## Club President Report – Richard Crowe

### *Mixed Vets Tournament 25-29 April*

**Thanks to organiser Marie Rayner and her willing team**, this annual event proved a resounding success for our Club. Great weather all week and a course in excellent condition made for many happy players, as evidenced by the atmosphere in the clubrooms on Friday afternoon during socialising and prize giving. Thanks also to our course staff and volunteers for their efforts in preparing the course, and to caterers Rochelle and Nick for the fine food supplied all week.

The accolades received by the Club for running such a successful event were hard-earned and well-deserved, and enhance the Club's reputation around the traps –

thank you all, including all MGC participants, a number of whom finished at the front of the field in the golf and also the raffles!

## Saturday Ladies Golf Report

Another beautiful day on the golf course. Played LGU and home pennant.

**Results for the 18 hole ladies** was **Joy East with nett 75** with a countback from Andrea Fraser and Fay Rowe in the first division.. **Second division was won by Rachelle Quin with 76 nett.**

**Putting went to Barbara Hunt 29 putts** - 3 points, Nicole Mancer 32 - 2 points and Lesley Elliott 33 - 1 point.

**9 hole winner this week was Sally Wildman.** The chemist voucher this month was won by Nicole.

The weekend pennant was played at Te Ngutu against Fitzroy last Sunday. Unfortunately we had 3L and 2W. Points are still very close with only 3 games to play.

Good luck to all finalists for the Club Matchplay champs on Saturday. Please come out and support the girls. A great achievement to make the finals for 2022.

*Cheers Marie, Ladies Club Captain.*

## Tuesday Ladies Golf Report - Jo Foreman

Another stunning day for golf and it was back to basics with 3 clubs and a putter. Really, do we need all those extra clubs to lug around when 3 will do the job admirably, well ...for some anyway.

**Rhonda won the 9 holers game** with Colleen coming 2nd.

**Fay won 1st division with 35 Stableford and Helen W 2nd division with 39.**

**Helen also had a 2** on 3rd and collects \$10.

Our putting results: Joy A, Jo, Fay & Helen W 3/32. Shona 2/33 and Robyn 1/35.

Next week we are playing Bisque / Par and the *starter is Marion.*

What a super week we had last week, stunning weather, a beautiful course of which there were many compliments, and a lovely group of players. **Huge thanks to Marie and all her team**, you did a marvellous job and everything went like clockwork.

Grateful thanks also to Rochelle and her helper, the food was yum and there was a big variety. Much appreciated.

*Cheers Jo.*

## Wednesday New World Golf Day

First round of the Wednesday Matchplay commenced. Check board to see your next round. Vouchers went to 13 me out of 27, apparently I was very generous.

Jim Newlove, 69 Nett, Clayton Riddle 70 nett and with 71 nett we had Peter Lopy, Bill Wadsworth, Barry Burns and John Chandler.

Ron Oxenham and Ivan Rangitonga both got twos on the 15th. We had 5 lucky raffle winners.

Standing for the Wednesday organizers, with the help of Robin B congratulations to all winners. *Marie*

## Volunteers Corner

**Joy East contribution and appreciation of our sponsor.**

**Address** - 62 Mclean Street Waitara Taranaki 4320

**BounceBack Physiotherapist Waitara, Jacinta, Kat and Alistair** are some of the most

professional, supportive and knowledgeable people, who I have witnessed and had first-hand experience with their kindness to me & to other clients who regularly visit them. Nothing is too much trouble for this group of wonderful people. The owner Jacinta is a member of our club and the business has sponsored us for a few years now. I cannot speak highly enough of them and totally recommend a visit to their clinic if you are having any issues with the body movement. Get those golfing injuries fixed no referrals needed & check out the rehab gym, great stuff.

*Contact Editor (Sue) if you would like to nominate a member of our club or sponsor, please email me a short note, photo or ring.*

## 35<sup>TH</sup> Manukorihi Veterans Tournament

Another very successful tournament and the weather was magnificent for the week.

This tournament runs smoothly due to the help of many members. The starters, registrations, raffle and twos sellers. Setting up caravan sites and carts, garden preparations. Thanks to all those members.

To the bar staff that helped over the week, the ladies entered the cards daily and helped with the results.

To our caterer for her food over the week. A lot of hours preparing as well as keeping the club clean. Very much appreciated.

To Kath who arrived on Friday with her flower arrangement for the prize table. She never lets us down. Thank you.

The course Staff, Convenors and Volunteers, thank you for presenting the course at the high level it was over the week. The feedback was A+ and I am very proud to be a member of this magnificent course.

Until next Year

## Greenkeeper Stratty Report

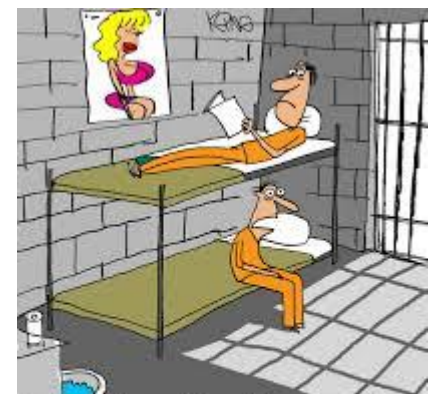

Well the vets tournament has been and gone and weather was great for them but too great, as the course is very dry. I desperately need some rain. Club finals good luck to you all. The greens will be getting some attention straight after the club champs to repair the brown (*thatch*) patches, scarified seeded and sand. Greens are generally pretty good just look a bit ugly at present, you will also notice a few projects around the course in the coming weeks.

Many thanks to all my volunteers once again and a special thanks to Richard H during vets tournament.

Unfortunately I'm laid up this week isolating leading in to finals day which is not ideal, so all you guys are my saviors !

*Cheers Stratty*

## FUNNIES

"They said I could test drive that Harley. So I did...for over a year. They never said there was a time limit on how long I could test it."

**May Bar Roster** if anyone wants to help fill the fridge up that would be a great help to our volunteers. Many hands make like work.

## Greg Norman Golfing Tips Aim The Clubface First

Accurate alignment would be a simple matter if we could stand directly on the line that extends from our ball to the target. But the fact is that we stand to the side of the ball, and that makes alignment tough. For this reason, I don't even try to align my body to the target until after I have aligned my clubface.

Holding the club in my right hand only, I approach the ball from behind. While I do this, I sight up and down the line that extends from the ball to my target, looking for a spot a few yards in front of my ball and on that line. Once I find that, I set the clubface behind the ball, and swivel it minutely back and forth until it is pointing directly at the spot.

Only after the clubface is squarely in position do I assume my grip and align my body in the address position.
