Chance of a lifetime? We are looking for a project manager. A Volunteer to oversee some up-and-coming projects we are looking into. So, if you think this is your skill set is please catch up with us. Things like getting quotes, meeting 3rd parties at the course to get ideas and show them the plans etc. As a lot of the current committee have day work it's a little hard to get away and we need someone who can get all the info, and this would allow us to push these jobs forward cheers.

This week we play traffic lights COMP IS ON NETT SO PLAY OUT PLEASE.

So, first 6 holes play off yellow TEE BLOCKS, second 6 white TEE BLOCKS and last six blue TEE BLOCKS the cards will be non-handicap, but Chop has set up the dot golf to take care of things.

Thanks for your time Lofty and Chop.

PRO TIP - back to basics

The Long Putting Tip is long overdue so here it is: Take 5 balls & putt the first ball down the green, but do not aim at any hole just remember how hard you hit the ball, & hold your finish watching carefully where it finishes??

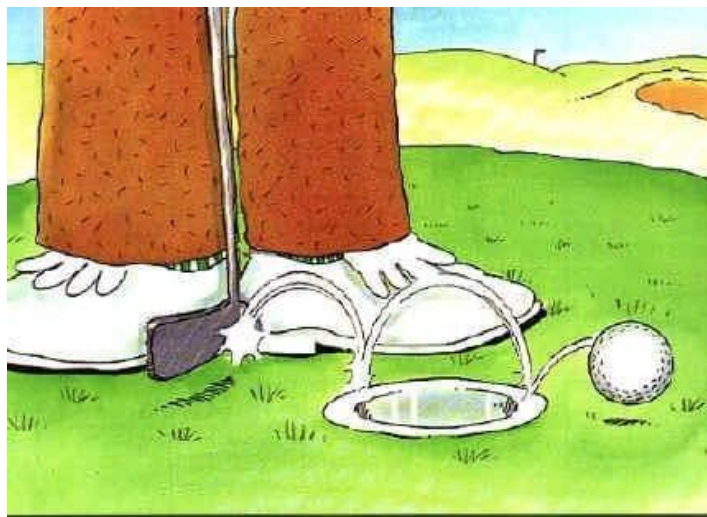

Try to putt the 2nd ball shorter, less power. Putt the 3rd ball shorter, the 4th ball shorter & then the 5th. If at any stage any ball goes past the previous ball you start again. I want 100% of your brain focused on FEEL!!!

If you putt to a hole at this the first stage you are immediately thinking of trying to hole the putt thus 50% of your brain is trying to hole the ball & the other 50% is on feel. NO!!

This drill is to teach you, FEEL & I need 100% of the brain on the POWER!!! Do this 4 times up & down the green & you will start to **LEARN LONG PUTTING - - FEEL!!!** (1ST ball only 10 paces)

Good Luck & Happy Golfing.

Professional John Garner.

There is no shot so simple that it can't be messed up.
