Club Captain's Report

Hello to all, well let's hope this weather holds good for the pop up this weekend. The first newly made MGC committee had its first meeting last Monday and there was some strong debating and challenging of the status quo and that's just what we need. To go forward with the club and pull new members we need some tweaks and we need to set goals. We did all agree to get some plans together and scope out upcoming jobs. With Stratty and Robin as the leads Lofty, Garry J and Ratz will be helping to format some plans going forward. We as a committee would like to say thank you to ALL VOULUNTEERS. No matter how much time has been given as it all helps and let's keep this up. So if you can spare a day and are willing Catch up with Robin **Sunstrike** Broadmore or the Karl **The Strat Man** Stratton and they will set you up.

To all members and their families have a good break enjoy your time together. We will see you all next year for opening day January 28th Mass start 09.30

Bar Convener:

Hi 'Team Manu' ...we need bar staff for the year 2023.

We all enjoy having a drink after the battle. The bar does provide a good income for the club. Once again there seems to be the same folk putting their hands up and running it so let all get together and have a go... put, you're hand up for the club as many hands make lite work. So, if you can you help, please see Nicole Mancer.

Nicole will sort you out and THE CLUB will appreciate your help.

Enjoy your Christmas, take care and drive safely

Thanks for your time Lofty and Chop
