Club President Report

Further to the newsletter of 8 September advising restrictions for playing golf as we moved down to Covid-19 Alert Level 2, unfortunately I have to report that Work-safe New Plymouth contacted us following receipt of a complaint that our Club was not meeting all the Level 2 clubhouse restrictions last Sunday 3 October.

I spoke with Work-safe New Plymouth's Senior Inspector yesterday to seek clarification.

His main point was that customer-facing/serving individuals, being our caterer and volunteer bar staff, are required by law under Level 2 either to wear masks (*as we are seeing in cafe and restaurant businesses*) or to put in place a suitable barrier screen, and the Club must enforce this. In addition social distancing of 2m within the clubhouse is to be promoted: we set up the circular tables some time ago for four persons only, and have today ensured that this arrangement remains in place.

The Work-safe inspector and I discussed the various other measures the Club has put in place over the last 18 months in line with Golf NZ's Covid-19 advisories, including the on-course constraints, our Covid-19 Safety Plan, the QR contact tracing code, and the sign-in contact register for those without smartphones.

The Work-safe inspector indicated his general satisfaction with our efforts.

I ask all members to please comply with the above (and other Level 2 restrictions outlined previously) as we obviously would not want our golf course or clubhouse to be closed down for the remaining duration of Alert Level 2 in Taranaki. Also, if anyone has any concerns with the Club's management of Alert Level 2 restrictions, it would be appreciated if they would contact me in the first instance to discuss.

Thank you in anticipation of your cooperation. Richard Crowe

Ladies Annual Meeting 2021

The **Annual Meeting** of the Ladies Sub-committee will be held **Monday 22nd November 2021 at 6pm** at the Manukorihi Golf Club rooms.

After discussions with the main committee and as per the Club Constitution the ladies will have a subcommittee in which they manage and perform specific tasks relating to the game of golf.

The annual meeting is held prior to the Main Club Annual General Meeting. The format stays the same with the voting of positions for 2022, and any remits or discussion on the game of golf.

The subcommittee voted in will allocate duties in that committee to run a positive subcommittee.

The Ladies Club Captain will be officially voted in at the Annual General Meeting of the club and is automatically elected onto the main committee.

The nomination form is on the ladies notice board. Please think about coming onto the ladies committee. New ideas are always good for any club

Club Captain Report

Last weekend we were greeted with fine weather to play the final round of this year's **Stroke play Champs**.

With the last round on us there were some players that would of needed to break a leg to lose it.

In the **Seniors Ivor had a lead good enough** that someone would of needed to break a few records to beat him.

Shane Grylls gave it a good shot hitting a 71 but Ivor Mr Consistent Sartan managed to hold on with a final round of 73. A three round total of 220 five shots clear of Shane, **Well done Ivor**

The **Intermediates Adam Burns kept his head** with a round of 85 winning with a total of 249 seven shots clear of Kerry Rawlinson.

Adam won the Juniors last year so watch out all you seniors as Adam could be going for the trifecta next year.

In the **Juniors before we all teed off I noticed Geoff Peters out on the practice fairway warming up** and meanwhile everyone else was having a good old chin wag back at the club house. As Johnny G has always told us warm up before your game and not during.

This paid off for **Geoff with a total three round score of 268 four shots clear of the chasing Ace**. Well done Geoff.

In the **Limits Greg Fowler won his division with a total 291** again with a seven shots clear of Big AL and Gary Pigott, Well done Greg.

Thanks to everyone with the supporting of the raffles and those who run the paddles for Wait bait. We gave away a total of 21 prizes.

Also you will notice at the bar the **Ham raffles have started up again** same format as last year. As they are filled they will be drawn and we will re-start another. Support these please.

With the **Saturday hagggle sixteen players will have vouchers to collect** and there were eight two's all getting a golf ball each.

This weekend there are a number of members away at Waitomo playing so good luck to all of them. Meanwhile back at Manu we will play Stableford.

This year's Men's Top Dog will have first round on the 16th October with following rounds **30th October** and final round **13th November**. The sheet for your names will be on the wall until this Sunday.

The format is pairs (*Choose your own*) this way you can only blame yourselves for loosing. 2BBB net on each hole with the lowest total Nett score over the three rounds will be declared this year's winner.

Note: When your get your card off dot golf system **both players to print a card** and put your own scores on your card. When round is complete you will enter your cards it may ask you who is your partner as with the entries I will pair you up in the system so that could already be sorted. The Dot Golf will sort out your best nett on each hole **GOOD LUCK to ALL**.

Thanks to Course staff for the course condition and also Jan in the Kitchen, Our Bar staff.

KEEP YOU DISTANCE *Robert (Fill in Club Captain)*

Tuesday Ladies Report

Well another day that the weather stopped a lot of Ladies coming to golf. 5 ladies did go out for a practice round. The greens were very wet so a lot of given putts.

Top Dog will be played 19th and 26th October. Drawn partners next week so please put your name down or ring Marie if not going out to club. **Format is 4bbb** with the top pair playing against the Saturday ladies winning pair.

Huge thanks to the ladies who donated raffles for the 27 hole Foursomes last Sunday. Very much appreciated.

Catch up with everyone next week

There were 8 lucky raffle winners.

No golf next Wednesday as the greens are being cored, but **everyone is very welcome to still come along for a working bee 9am start**. Taranaki Solar Twilight Golf.

The Manukorihi Twilight Golf will start on the 11th of November to the 31st of March.

We are looking for about 4 people to help run the twilight nights, starting from 3- 3 30pm to take entry's, money and make up teams to play as they arrive.

A bar person, and a couple to look after the score cards, prizes and raffles.

The Manukorihi Golf Club has been very successful over the past few years with some great sponsorship, meals after golf and bar takings.

We need your help, so we don't lose these nights.

Many Thanks. David

ITS BACKTHE KIWI BUTCHER IS BACK

PLEASE NOTE WE ARE PLAYING THIS ON SATURDAYYES SATURDAY THE 20TH NOVEMBER
...SORRY to all those who feel we are taking the course away from them on a Saturday
 but we decided this was the best outcome for the club overall. If you need to get in on the
 Saturday for a game, I think by 2.30 / 3pm you should be all good to go out for a hit. So
 sorry for any inconvenience this may have caused. There will be a Starters sheet up at the

club house on Wednesday so get in early team. Thank you all.

Thanks, Your Club Captain Lofty.

Golfing Tips

Reflections From The Academy / Driving Range.

One of the most effective, yet totally under-used game improvers :
 a full length mirror or window !! Mirrors show you exactly how
 you are swinging as opposed to how you think you swing !! The
 feedback is immediate & factual. Posture, grip, alignment, take-
 away, your shoulder turn to the top of the backswing, all easily &
 clearly portrayed. You can even “slow mo.” your down-swing !!
 Trying to copy the Basics of the Golf Swing is the sole reason we
 study magazines & monitor the Best Players on T.V. Mirrors
 make the game much easier & can help to improve your game !!

Good Luck & Happy Golfing. Your Personal Pro John Garner

Sunday School Golf - will be on the 17th October
