President's Report

David Butler

After his health scare last week, we were surprised, relieved and pleased to see David Butler back out at the course on Monday, checking the vermin traps, and again today in his usual Wednesday Club admin role – we just can't keep this man away!

Clubhouse Fire Evacuation Drill

We held a clubhouse fire evacuation drill this afternoon with a pleasing result: all 26 individuals in the clubhouse at the time evacuated within a minute to the muster point between the two four-bay cart sheds – well done!

Fence Project

Members will have noticed that, after several high-wind storms earlier this year, some sections of the very old 2.1m high fence between the Club's campground area and the neighbouring property collapsed. It has been clear for a few years that fence replacement was well overdue. Enquiries about claiming insurance proved unsuccessful, but we managed to negotiate with our neighbours that, if they funded all the materials required for a new fence along its full 45m length (timber, concrete, screws and nails), the Club would provide the labour to deconstruct the old fence and build the new one, also to a height of 2.1m. One of our builder members Ray Gadsby provided the materials quantity and cost estimates and sourced the materials, and also provided some key equipment items.

Figure 2: 7 July 23

Two of our sterling Club volunteers, Greg Jans and Jim Newlove, led this project with help from Peter Pearce and myself and some contributions from a few others. Construction of the new fence was completed yesterday in quick time due to the dedicated efforts of Greg and Jim in particular, and is a real credit to them both. Another outstanding job completed for the Club - many thanks to all who contributed in some way to this project.

Club Captain's Report

Hello to all, hope all is well.

Thanks for donations last week \$170 this week and I think it is going to the WESTPAK CHOPPER?

This week is mass a start and Green Keepers revenge so look out could be a bit of a laugh.

"I don't like the pin placement."

SO, the Lye Trophy was taken out by Kerry the burglar edge and the good Mancer, so well done you two, great efforts.

We were all chasing the DEW and the good Mancer. Brendon was on +2 with Nic on -2 so Nic held her own and go it done but the Dew? Well, I stand corrected on last week's comment.

Divots are raising their head again and pitch marks as the course is so wet. We **ALL** need to remember that even chipping in can leave pitch marks so please repair them and divots well there are a lot around. Please once you have carved the Sunday roast, can you put it back and pat down cheers?

Sunday 9th saw the big one for us and we held the 3 person Ambrose. A great **DAY BY ALL**, well-run, good prizes, raffles and **NO** complaints so that's great. We did have some emails and texts in saying how well it was run and prizes were great, and they **WILL BE BACK FOR SURE**. We had good food and extra help with the bar so thank you to all for that **GREAT DAY AND A GREAT PLUG FOR THE CLUB**.

Thanks to all the sponsors and you will see them on the table card at the club so use them if you can!

Cheers.

PRO TIP - back to basics

The Terms “Square Take Away”, “Square Club Face” & “Square Stance” can be very confusing to all Golfers. The intention of every golfer is to hit the ball forward & the easiest way is if the “Club Face is Square at Impact.” To achieve this fact, we stand “Square.” Toes level, hips & shoulders parallel with the intended flight of the ball, i.e., “Square.” Now to explain a “Square Take-away,” is a little difficult so read this slowly & I’ll attempt to resolve a few misunderstandings. We bend from the waist to allow us to create power whether it be 100 metre or 300. We turn on an angle, a tilted plane. When you take the club away to waist high the club face should look closed, but it is actually “Square” to the imaginary Plane of your swing or on the same angle as your spine!! Phew, hope you all got that, if not come for a lesson & I’ll put the kettle on for a “**SQUARE CUP of COFFEE !!!**”

Good Luck & Happy Golfing.

Professional John Garner.
