## President's Report

Unfortunately, I have to advise that our long-serving vice-president and past president David Butler suffered a heart attack while playing golf on our course this morning. Many thanks to those who comforted and supported David while an ambulance was called and arrived, especially David's partner Lee Mather. David was initially transported to Taranaki Base Hospital and was then flown by helicopter to Waikato Hospital this afternoon, where he has been treated and is pleasingly on the mend. I am sure all members wish David all the very best towards a speedy recovery.

## **Defibrillator**

It is timely to remind members that the Club owns an automatic external defibrillator (AED) which is mounted in a locked cabinet on the wall just outside the clubhouse door. The reason for AED cabinets being locked is to prevent the device being tampered with, vandalised or stolen.

The code to unlock our AED cabinet door is C135X, which is written at the top of the local rule's noticeboard nearby. It is suggested that members record this code as a note on their phones. The alternative option (which may take a bit longer) to opening the cabinet door is to ring 111 and advise them that our AED cabinet number is 226, and they will then advise that the code C135X.

## Club Captain's Report

Hello to all, hope all is well.

Thanks for donations last week \$177 and in wet conditions. The course convener and club captain with some bloke who looked like a farmer went out early and choose to play with no carts. Sorry to all who missed out on their game due to that, but safety to our members and the course have to come first so thanks all for the understanding.

The next 2 weeks are all mass starts and I know some don't like them, but it is a good way to mix the members up and share the love.

This week we have the Lye Trophy (staby comp) and this is a donation week. So, if you can do throw in some money that would be great and this will be put forward to those who need

it. In saying that, NO jack-pot twos or twos will be up for grabs but the raffles will be there for you to have a win. THAT'S if the Broadmore and Skully don't win them first. After that we have the Green Keepers Revenge and it sounds like this is all on.

We are all chasing the DEW and the good Mancer. Brendon is on +2 with Nic on -2 so should be easy to catch them AS THEY WILL CHOKE ANYWAY. Apart from lofty who had a shocker. (BOYS TRIP COMING UP)

100 club had another 4 X \$100 draws so well-done team 2 more to go then into the big day.

91 C Hireme, 43 Kretch, 90 R Mancer, 89 G Earp

Match committee can we meet Friday to set up some bits and piece for Sunday. Say 4.30 / 5 pm at club house cheers.

Divots are raising their head again and pitch marks, the course is so wet we ALL need to remember that even chipping in can leave pitch marks so please repair them and divots well there are a lot around. Please once you have carved the Sunday roast can you put it back and pat down cheers?

**Sunday 9<sup>th</sup> is the big one for us is the 3 person Ambrose in July a great comp so looks out for that. This could be full by the time you read these so thanks for the support.**

**Please don't forget if you tee off the 13<sup>th</sup> and it is a standard comp you will be disqualified as we should be all playing the same track in order unless stated thanks.**

## **CONGRATULATIONS**

Kingston just won the Taranaki u16 championship, he reckons the toughest conditions he's ever played in. Strong field with the Auckland Development Academy playing.

Wasn't his best golf but made up a 3 shot difference today to bring home the win.

WELL DONE, A FANTASIC EFFORT.

## Tuesday 9 Hole Ladies

8 ladies played stableford and putting. The stableford winner was Meryn Morrison with an excellent 21. Putting: Rhonda McFarlane (14 putts for 3 points); Nancy Morgan (15 putts for 2 points) and Meryn Morrison and Barbara Hunt (16 putts for 1 point).

Barbara was also the lucky winner of the chemist voucher.

## Tuesday Ladies Report

Today was Secretary's Choice. Lesley decided to play a putting game, the first one on the green gets to pick the hole they putt too. A Lot of fun and banter was given, even a few bribes.

Winner of the day was the Secretary, Lelsey with 30 putts and also won the drawn two's voucher.

Well done, Lelsey, definitely your day.

Next week we will play Barbara Sharrock rnd 2.

Pennant challenge was postponed due to the heavy course conditions. New date to be advised

Good golfing

Marie

## RULES FOR TODAY'S 3 PERSON AMBROSE

1. Enjoy your day
2. Ambrose with a twist.

Your first hole of the day = all 3 tee off. Select the shot you wish to play your second from. Everyone continues as per normal Ambrose until ball holed. Your second hole – the persons tee shot used off the first hole sits out – so now you choose from 2 tee shots. Continue as for normal Ambrose with all 3 players playing out until holed out. Your third hole both shots used off previous 2 holes sit out, leaving the last team member to be used off the tee. This format is used in the next consecutive 3 holes and so on for 6 times. So, everyone uses 6 tee shots – 1 every 3 holes.

3. Longest drive 18<sup>th</sup> hole - divisions men's -and ladies. All able to play tee shots for longest drive. But eligible tee shot/s still to be used to complete hole.
4. Hole in one hole and closest to pin – 7<sup>th</sup> hole. One division. Again, all able to play tee shot for prize – but again eligible tee shot/s to be used to complete hole.
5. Lowest nett score wins day. Course handicaps off white tees for men and yellow ladies. Handicaps added together and divided by 5
6. Cards to be swapped and marked by other playing team. Marking tee shot used as on card.
7. Enjoy your day by challenging the other team for a beer on a hole by hole match.
8. Maximum on course HCP WILL BE 36 so you can still play if over 36 but this will be the max for the competition
9. ALL players must be affiliated to a club.
10. PLEASE BE AT CLUB HOUSE AROUND 9 AM SO WE CAN SORT CARDS AND TEES THANKS.
