Club Captain's Report

Hello to all, hope all is well.

The car park lines have been put down, so this job is coming to an end, and it looks good. Please use the correct entry and exit lanes to club thanks

The sweep has had a work over to help make life easier and please see the new sheet and fill out as required cheers.

Last week's Results the for the Hone Heke and the Bleakly tray. Terry the Butler and Ray the builder Gadsby share the Hone Heke trophy and Roger Clarkson snuck in with a good nett 67 to take out the Bleakly tray. It was Mass start and drawn 4s. I was with Kerry Edgecombe and he managed to tee off on all 18 of the tee blocks thistime ????.unlike the last we played ...he got down the fairway on the 16th and said where's my tee shot ??? then he said

....DID I TEE OFF? ... the ball still being in his pocket was a clear give away that this did not happenHmmmmmmm

Top dog is coming up on the 18th march and the sheet is up on the board. So, grab a partner and let the battle commence.

CYCLONE FUND TOTAL WAS \$3120So well done to all who reached into their pockets a great effort. Thank you all very much.

Pennant's update; See results below.

Round 4 ; Manu 1 ... This week seen the boys down a few players with Captain Simbo out of action as he was at the old folks convention on how to make minced steak pies ... and JC was getting half priced food at the NZ open under his gold card pass and as for Garry Gazza

Crawfordwell let's just say he was MIA.....So to combat that they got in the big guns and rumour has it the stand in Captain ...Smoothie Rauputu had a true game of two half's with a 45 plays 33 round or something like that ...and they also got the new boy Magic Tito in to

steady the ship along with the previously discarded Top Gunn Elliot...and as you can see below the boys stood up. Good win lads There may be a few selection dilemmas next round.

Manu 2 played Waverly at Waitara. The boys did the hard yards again and got a 5.5 to 3.5 win. Once again it came down to the 18th green with Boo Boo Deciding to lag up a long putt to ensure the team win with securing a 4-ball win instead of trying for a birdie and getting a half himself that's what makes it a team game. John Kim (**Bruce ...we call him**) had his first game replacing Chop Chop who was away at a sock knitting class, had a very good

win..... but he did skip out before the team fines session which in turn may prove a very costly exercise...well done **Bruce** don't

forget your \$2 coins next time I am sure you have a few. Of Special note JANSY the oldest rookie known to golf ...(.96) had his maiden win for the team last week and played well this week to help secure ta half in the 4 ball. Captain Sos and Sargent Sunstrike also went the distance in the 4 ball to get away with a well needed halfso well-done BOYS great team effort. That win confirms us a quarter final spot.

2nd April MANU 1 play Stratford at west town 9.00 am start. 2ND April MANU 2 play Te Ngutu 3 at Pungarehu 9.48 am start.

This week. Captains' choice, Last Mass start for a while 9.am tee offbut this week it is Make Up Your Own Fours and be ready to head to the nominated tee block at 8.50am thanks

Boy you guys / girls are luckywhat do most golfers say after they have hit a bad shot apart from #^*((*&\$% @#\$%^&*... Man, if only I could have that shot again???????? Well, here is your chance to do just that, as we will be playing for the first a mulligan round ...

18 FREE SHOTS will be available (not compulsory to be used) at 1 shot per hole ...so use it or lose it. No carry overs MARTIN NOBBS

Once you play the mulligan ball ...then that ball IS IN PLAY **no picking the better ball** so choose wisely. So, we will be marking down each time you use a mulligan and see how your

game is. (IN THEORY YOU SHOULD BE ABOUT 18 SHOTS BETTER ...HAHAHAHA)
The Days competition will be on Nett.

NOTE: You need to make the decision if you're going to play the mulligan before moving to the next shot or it will take all day and we don't want that.

Thanks for your time Lofty and Chop

Saturday Ladies Report

Well done, A mass start (Bleakley Tray) and a couple of Nationals Comps and Putting all rolled into one round of golf and we managed too raise about \$3K to send to East Coast. Thank you, Andrea and Nicole, for organising, and thanks lofty for the fundraising day. It was great.

Andrea F had the best round on the day and Bronny had the best putting for the day
Congratulations to you both

It's good to see we have some teams already signed up for Nancy McMormack which will be played on April the 15th and 22nd. If you are available why not grab a playing partner and join in. Also, just a small correction to be made Saturday Pennants team play next at Manukorihi on Sunday 26th March.

PRO TIP - back to basics

THE PITCHING WEDGE is the most flexible club in the bag as it could be used from 1 metre off the green up to 120 metres according to your own power. Chipping is from about 30 metres & then your shots become pitches. 30 metres, 40 metres, 50 metres & upwards has to be learnt & the way to do that is to play 20 balls to an umbrella stuck into the ground. The shorter the shot the shorter the swing e.g. full swing 4th gear - ½ swing = 2nd gear & whatever the distance you achieve is your own power.

Good Luck & Happy Golfing.

Professional John Garner.
