

## President's Report

**Opening Day:** Many thanks to the organisers of our successful Opening Day last Sunday after postponement from Saturday, due yet again to unfavourable weather in the morning. The promptness on making that decision was appreciated, posted on Facebook and emailed out to all members by our newsletter editor.

**Carpark Entry & Exit:** For safety reasons please adhere to the entry and exit signage indications requiring clockwise vehicle movements into, around and out of our carpark.

**Carpark Marking:** Weather permitting, Downers are scheduled to line mark individual carparks early in the evenings of Monday/Tuesday 27/28 February.

**Volunteers:** As always, a big thank you to all our active volunteers for their amazing efforts for the Club, both on and off the course.

Best wishes to all for good golfing in 2023 – let's hope we get the usual great weather throughout February and March!

Richard Crowe

## Club Captain's Report

After a 24hr delayed start to Opening Day forty-nine players gave up their Sunday duties to play golf.

Starting with a BBQ of Bacon & Eggs cooked by Ivor, Sausage and Robin. Some glasses of refreshment along with a get to know each other before the real action started. Cards were mixed up with new members playing with current and made welcome as you do at Manukorihi Golf Club.

Well looking at the results it was like Forest Gump's box of chocolates a real variety range from 41 points to the low of 22 points, (21 of the 49 scores were under 30 points). You would think it was a rough day weather wise but all in all it turned out to be a great day and the course was in great condition considering the weather we had had the few days before, well done to that team.

Reason of low scores (THATS GOLF)

Winners for the Day Jo Broadmore and Marie Rayner with 37points in the ladies. Marty Crafer was the best of the Men with 41 points by one from Gary Johnson.

Everyone else were hoping for a raffle or two this maybe the reason they sold so well by some of the match committee. Thank you everyone for your support on the day and hope all the new members enjoyed their first big Day at Manu.

This weekend we will have a haggie of stableford and of course a couple of those raffles we all enjoy.

We have started a \$100.00 club and this is selling well. Naming **CORSON TYERS 100 Club**

There are four draws each month from April to September and then a big Competition Day in October with some massive prizes to boot. All information is on the white board in the club rooms or Contact Kevin Saus Mancer

Shootout (Nett) will be hit off on the 11th Feb Barbara Sharrock mass start day entry \$20.00 for the year. Ian Titter is the sheriff once again this year.

Good golfing everyone and if you are travelling over the long weekend keep safe as we want to see you all at Barbara Sharrock day on the 11th Feb.

## PRO TIP - back to basics

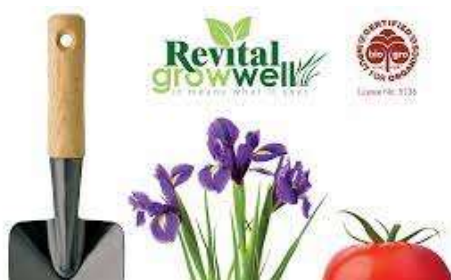

USING TOO MUCH BODY in trying to hit the ball is the single biggest fault in playing the game. When you top the ball, your BODY has COME UP before impact. When you slice you have turned your BODY in FRONT of the ball before hitting it. When you sky the ball from the tee you have moved your BODY FORWARD making the swing path too steep.

The Law of SWINGING is to TURN YOUR BODY on the backswing SLOWLY, then from the start of the DOWNSWING LEARN TO SWING YOUR HANDS & ARMS PAST YOUR BODY.

Watch yourself in front of a mirror to get the FEELING.

Good Luck & Happy Golfing.
